Alma Mater

Far above the Mississippi shore
Where ships to sea sail by
Doth wave the Purple and the Gold
Beneath the Southern sky;
LeMoyne-Owen, thy banner there must stay
Must never trail the dust;
We pledge to thee fidelity;
Our love, our sacred trust.

LeMoyne-Owen, Our Alma Mater dear
To thy ideals we cling;
Thy sons and daughters far and near
Thy virtues proudly sing;
And with consecration, service, truth
We hold thy precepts high;
We stand for thee unitedly;
For thee we live, we die.

A Symbol of LeMoyne-Owen History...

A large iron bell symbolically echoed its tolls from the belfry of the first LeMoyne Normal & Commercial Institute in the early 1870s. At that time, the school was known to be the only educational institution available to Blacks. When its toll was heard, the bell's symbolic message spoke of better days ahead. But, its voice was stilled suddenly when the school was torn down, and the iron icon was buried beneath its debris.

It would lie there for more than 60 years before excavators would accidentally awaken its toll once more. Just as Negroes would not be denied their civil rights, the old iron bell refused to be silenced. In 1937, it was recovered from where it lay, and Professor John Love spearheaded efforts to return the bell to its rightful place as a symbol of LeMoyne College's long history.

The bell was officially rededicated during homecoming celebrations on November 5, 1937, at the same time that a portrait of LeMoyne College's benefactor, Dr. Francis Julius LeMoyne was also unveiled. Today, the bell remains a symbol of courage, determination and longevity – a truly representative icon of LeMoyne-Owen College.

The College Bell is only to be rung for officially sanctioned All-College functions or for security purposes to warn of danger.

Mission Statement

LeMoyne-Owen College provides a transformative experience educating students for urban-focused leadership, scholarship, service and professional careers.

Vision Statement

To be an exemplary historically black college providing an excellent liberal arts education that transforms urban students, institutions and communities.

Honor Code

"I will be honest in all of my academic course work and will not indulge in or tolerate the academic dishonesty of my counterparts or peers. I will not partake in any type of misconduct, misrepresentation, or immoral behavior that will harm, damage or endanger any person, property or myself or reflect negatively against me or hinder my academic continuance. I will strive to achieve excellence and to complete degree requirements without hesitation. I am a valuable part of the LeMoyne-Owen College family and proud of it."

INTRODUCTION

The *Student Handbook* is prepared by the Division of Student Affairs and is updated periodically. It serves as a ready reference to the major regulations relevant to students at LeMoyne-Owen College. Where appropriate, the administrative office or individual with responsibility for developing, changing, or implementing specific policies has been noted. Students should also consult the *College Catalog* for policies relevant to academic programs. The President and the Dean of Students are the only College administrators with the authority to supersede the policies outlined in the *Student Handbook*.

The LeMoyne-Owen College *Student Handbook* is a fluid document. The College reserves the right to change policies and procedures included in this *Handbook* as the need arises. As changes are made, they will be shared with the student body in a timely manner using various media, including written statements and electronic media. Utilization of on-campus email addresses is the primary communication mechanism. Remember to check your email accounts regularly.

Opportunities for students to use their talents and to develop interests outside the classroom are important elements in the educational process. Such opportunities are available at LeMoyne-Owen College through Greek letter organizations, pre-professional organizations, various social organizations and a variety of social, recreational and enrichment programs. The campus experience enhances students' intellectual development, social adaptability, and pre-professional competence. Students are encouraged to actively engage in campus life activities and to follow regulations, which are provided in this *Handbook*, to ensure the protection of life and property and encourage a community of mutual respect and good will.

COLLEGE POLICY STATEMENTS

STUDENT RIGHTS AND RESPONSIBILITIES

As members of the LeMoyne-Owen College community, students shall be encouraged to develop the capacity for critical judgment and to engage in a sustained independent search for truth. Free inquiry and free expression are essential attributes of a community of scholars. The freedom to learn depends upon appropriate opportunities and conditions, both in the classroom and on the campus. All members of the academic community share the freedom and right to learn. Students are urged to exercise their rights with maturity and responsibility.

In the classroom, the professor encourages free discussion, inquiry and expression. Students are evaluated solely on the basis of their academic performance, not on their opinions or involvement in matters unrelated to academic standards. Students shall enjoy:

- Protection of Freedom of Expression (while observing mutual respect and collegiate decorum);
- Students are responsible for learning the content of any course of study, and are free to take reasoned exception to information or views offered and to reserve judgment about matters of opinion;
- Protection Against Improper Academic Evaluation;
- Students are responsible for maintaining standards of academic performance established by their professors, but have protection through orderly procedures against prejudice or capricious academic evaluation;
- Protection Against Improper Disclosure;
- Information about students' views, beliefs, and political associations acquired in the course of coursework with instructors, advisors, and counselors is considered confidential. Judgment may be provided when the student has given his/her formal consent, or in cases of danger.

PROTECTION OF PRIVACY AND STUDENT RECORDS

Transcripts of academic records shall contain information on academic status only. Data from disciplinary and counseling files are not available to unauthorized persons; data are for internal use only and shall not be made available to persons outside of the College except on formal request of the student involved, or upon legal requirement by civil authorities. Administrative staff and Student Affairs officers respect confidential information about students, acquired in the course of the students' work. The following items of information from student records may be released by the College without the consent of the student, unless the student has notified the Registrar of the College, in writing, that he/she objects to such release: name, address, telephone listing, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous activities and sports, and weight and height of members of athletic teams.

The Family Educational Rights and Privacy Act of 1974 (The Buckley Amendment) provides, among other things that eligible students have the right to:

- inspect and review their own education records;
- challenge the content of their education records, if the student believes that the

- information is misleading or inaccurate;
- have some control over the disclosure of information from the records;
- file with the United States Department of Education a complaint of alleged failure by the institution to comply with the Act; and
- obtain a copy of the College's student record policy.

The Act provides that students may waive their right of access to confidential letters of recommendation and may also grant permission to release certain personally identifiable information to specific personnel. The exception to this law includes educational personnel records; records maintained for law enforcement purposes; employment records on non-students; records maintained by a physician, psychiatrist or psychologist; and, financial records of a student's parents.

Additionally, the Act provides that, in addition to College employees having a legitimate educational interest, certain other governmental and quasi-governmental agencies and parents certifying that a student is carried as a dependent for income tax purposes, may have access to student records.

The Act also obliges the College to inform students of their rights and to establish policies and procedures through which their rights can be exercised. LeMoyne-Owen College intends to comply fully and fairly with the provisions of the Act, and with its statements on policies and procedures. The Registrar is responsible for policy administration under the Act. Inquiries should be directed to the Registrar, Office of Student Records, in Brownlee Hall. Copies of the College's student records policy may be obtained in the Office of Student Records.

POLICY ON DRUG ABUSE AND USE OF ALCOHOL

The College undertakes an educational approach with respect to drugs and drug abuse; however, the College community is, of course, not a sanctuary from the law.

LeMoyne-Owen College has a "zero tolerance" policy with regard to drug and alcohol violations. The Zero Tolerance policy applies to all alcohol and drug offenses on campus. This is a policy of not having tolerance for identified transgressions, such as, students found guilty of the possession and/or use of illegal drugs and alcohol on campus. Students who are in violation of this policy or the Drug-Free Schools and Communities Act will be subject to disciplinary action to include, but not limited to, possible immediate dismissal or expulsion and referral to the proper authorities. (See Disciplinary Offenses and Disciplinary Sanctions with additional statements on Drug Abuse and Use of Alcohol in this document.) ***The only exception and legal possession and consumption of alcohol on campus is limited to College-sanctioned special events which have been approved, in writing, by the President's Cabinet.***

The purpose of this policy is to create and maintain a healthy environment for all College personnel and students. (Mood altering chemicals such as alcohol, marijuana, cocaine, etc., interact in each person's life in a different way and sometimes may cause harmful results.) Participation in a drug rehabilitation program will be required for any offender in violation of these regulations.

LeMoyne-Owen College students and employees are advised that referral information on counseling and rehabilitation services for alcohol and drug problems is available through the Counseling Center. All consultations are confidential.

The College will report to civil authorities anyone charged with the sale or distribution of drugs on the campus. In all cases, the College will be concerned with the guarantees of due process with respect to any member of the College community.

When disciplinary action is taken in cases of alleged drug abuse on campus, such action may or may not be concurrent with any action pending by authorities. **Federal legislation allows colleges to notify the parent or guardian of students under the age of 21 who violate any federal or state law, or any rule of the institution, governing the use of alcohol or drugs.**

LeMoyne-Owen College, in agreement with and in support of comprehensive policies on alcohol abuse developed by the American Council on Education, prohibits the use of student fees to purchase alcohol, or for the Student Affairs Division to sponsor events where alcohol is served.

Further, the College is in compliance with the Drug-Free Workplace Act of 1988. Pell grant recipients now certify that they are drug free when they sign the Pell grant application. **Federal Government guidelines state that anyone under the age of 21 receiving Federal Financial Aid (Pell Grants) who is convicted of violating established Federal or State Alcohol Laws may lose their financial aid.**

The Drug-Free Schools and Communities Act Amendments of 1989 and signed by President Bush on December 2, 1989, required that by October 1, 1990, institutions must certify to the United States Department of Education that they have adopted and implemented a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees.

In compliance with the Drug-Free Schools and Communities Act Amendments of 1989, LeMoyne-Owen College prohibits on its premises or at any of its activities the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance by any student or employee. Notification of any criminal drug statute conviction occurring in the workplace/campus must be made to the employer or appropriate campus official no later than five (5) days after such a conviction.

Effects of Alcohol

Alcohol is a depressant which slows the function of the central nervous system. Alcohol blocks some of the messages trying to get to the brain. This may alter a person's perceptions, emotions, movements, vision, and hearing. People who have over indulged in alcohol may stagger, lose coordination, and slur speech. They may appear confused and disoriented. When large amounts of alcohol are consumed in a short period of time, alcohol poisoning may result. Alcohol is a leading contributor to violence and injuries that result in fatalities. The consequences of underage drinking include increased risk of suicide and homicide, alcohol related vehicle crashes, sexual assault, academic and social problems, unintended and unwanted sexual activity, and adverse effects on the developing brain. Alcohol is considered a leading contributor to injuries that result in fatalities, the major cause of death of people under the age of 21.

Students who indulge in prohibited alcohol and drug use assume the risks associated with such use, and cannot hold the College responsible for any consequences and/or disciplinary actions associated with such activity.

POLICY ON THE USE AND ABUSE OF INFORMATION TECHNOLOGY

In keeping with the spirit of free intellectual inquiry that is fundamental to our mission and the principles of academic freedom and individual privacy, the College has outlined this policy for the use of information technology on and off campus. All users of the College's information technology resources are expected to demonstrate the highest respect for the rights of others in the use of these and outside resources. These outside resources include, but are not limited to, social media sites, personal emails, and cell phones. Students should also keep in mind that federal law prohibits the misuse of computer social networking sites to defame, slander and/or misrepresent others. Legal prosecution may result from violation of these laws. For further information, refer to page 32.

CAMPUS LOCKDOWN POLICY

In extreme cases of possible threat or possible imminent danger to the College community, the campus may be placed in Emergency Response (Lockdown) Mode. Campus Security will immediately begin to secure all campus buildings and gates. At such time, faculty, staff and students are requested to remain in whatever building, classroom, etc., they are currently in until an official "all clear" signal from Campus Safety or law enforcement officials is given. All movement on campus will be restricted during Lockdown.

Similarly, Shelter-in-Place commands will be issued for threats posed by atmospheric contamination. These threats could include accidents or attacks involving chemical, biological or radiological hazards. Students, staff, and faculty should remain in whatever building, classroom, etc., they are currently in, closing and locking all exterior windows and doors until an official "all clear" signal is given.

POLICY ON APPROPRIATE DRESS

LeMoyne-Owen College students are expected to dress in a manner representative of a higher education institution. The College has adopted a **Policy on Appropriate Dress** with the belief that selecting appropriate attire specific to occasions and activities is crucial dynamics to the holistic development of educated individuals. Students are expected to use good taste and judgment in considering appropriate dress on campus. Students should dress in manner appropriate to the position of college students preparing for professional and/or career employment. Faculty and staff have the authority to outline and enforce student dress expectations in the classrooms, offices, and around campus. Academic departments may stipulate dress requirements to supplement educational goals and objectives.

Appropriate and respectable apparel is required for events and special occasions, including convocations, employment interviews, professional and graduate school fairs, graduation, coronations, plays, luncheons, banquets, etc. Example of appropriate attire would be:

Business - shirt and tie, business suit, blazer and skirt or slacks, dress.

Formal occasions - dinner dress, formal wear, including evening dress, business suit, or tuxedo.

Sports activities and other social occasions, such as inter-collegiate athletic competitions, pep rallies, Greek shows, and dances require informal but respectable dress.

Headdress (hats or caps) is inappropriate for males during all indoor functions. Male headdress including “do rags,” bandanas, or scarves are considered inappropriate for the higher education environment and are prohibited on campus. Similarly, male dress that includes sagging or unbelted pants is considered inappropriate dress at LeMoyne-Owen College. Clothing with derogatory or offensive messages either in words or pictures is prohibited.

Similarly, female students are also expected to present themselves in appropriate attire at all times. Inappropriate attire might include, but is not limited to: midriff tops, extremely short shorts/dresses/skirts, halter tops, or other apparel of a revealing (see through) nature that is worn publicly or in the classroom, or to special occasions as defined in the preceding paragraphs. It is important that females (as in the case of males) are dressed in a manner that is representative of a higher education institution, which includes no sagging or unbelted pants. Therefore, headdress that includes “do rag”, bandanas or scarves are considered inappropriate for female students, as well, and is prohibited on campus. Additionally, clothing with derogatory or offensive messages either in words or pictures is prohibited.

College decorum dictates that appropriate attire be worn at all times. In accordance with the Appropriate Dress Policy, “sleep wear” may not be worn to class, in the cafeteria, or to any other campus facilities other than the dormitories. “Do rags” are not appropriate wear outside of campus housing.

All administrative, faculty and support staff members will be expected to monitor student behavior, including dress code, and report any such disregard or violations to the Director of Student Development. Access to various functions may be denied if dress is inappropriate. Students found in violation of the Appropriate Dress Policy will receive an initial warning for the first offense. Subsequent violations may result in the assessment of fines and/or stricter sanctions as deemed appropriate by the Judiciary Council.

POLICY ON THE CONTROL OF INFECTIOUS DISEASES

The Center for Disease Control (CDC) provides on its internet resource site, current information regarding the current knowledge of the Human Immunodeficiency Virus (HIV), the virus that causes Acquired Immune Deficiency Syndrome (AIDS) and other infectious diseases including Hepatitis, chicken pox, etc. This policy is based on current information and may be revised as new medical information develops.

HIV is spread by sexual contact with an infected person, by sharing needles and/or syringes (primarily for drug injection) with someone who is infected, or, less commonly (and now very rarely in countries where blood is screened for HIV antibodies), through transfusions of infected blood or blood clotting factors. Babies born to HIV-infected women may become infected before or during birth or through breast-feeding after birth. Some people fear that HIV might be transmitted in other ways; however, no scientific evidence to support any of these fears has been found. If HIV were being transmitted through other routes (such as through air, water, or

insects), the pattern of reported AIDS cases would be much different from what has been observed (www.cdc.gov/hiv/pubs/facts/transmission.htm).

There has not been a confirmed case of HIV transmission within any household or school as a result of casual contact. Therefore, LeMoyne-Owen College has determined that there is no basis for routinely excluding or dismissing students or employees because they have AIDS or an asymptomatic HIV infection.

The College will proceed, through education and extra-curricular programming, to increase awareness to prevent further spread of infectious diseases. Through activities and events, the College will share information. The College has adopted the following procedures with respect to HIV infection:

- No consideration will be given to the existence of any form of HIV infection when deciding whether to admit a student.
- Students who are infected with HIV will be allowed to attend class without any restrictions, as long as the student is physically and mentally capable.
- The identity of students and any other members of the College community so affected shall be kept confidential.
- The College strongly encourages students who are HIV positive to inform appropriate campus officials on a strictly confidential basis. This confidential information is requested solely to enable the College, in case of emergency, to direct such students to proper medical care.
- Since there is no inherent danger to others through casual contact with an infected individual within the residence halls, and in absence of any medical imperative to the contrary, the rights of privacy of such individuals living in the residence halls should be protected.
- Athletic personnel should emphasize general safety procedures in decisions related to intercollegiate and intramural participation.

DISRUPTIVE BEHAVIOR/COURSE MISCONDUCT POLICY

All students are expected to conduct themselves in a manner that helps to enhance an environment of learning in which the rights, dignity, worth, and freedom of each member of the academic community are respected. Faculty members have the authority to protect this right by creating and maintaining a classroom environment that is conducive to learning. Disruptive behavior in and outside of the classroom environment is a violation of LeMoyne-Owen College's *Code of Student Conduct*, which defines disorderly conduct to include acting in a manner so severe, pervasive, and objectively offensive that it materially or substantially interferes with normal classroom/college procedures. Self-expression of disagreement with an instructor or classmate's ideas or comments is permitted when the instructor allows opportunity for civil discussion or debate as part of the course content.

Disruptive Behavior/Course Misconduct includes, but is not limited to:

- talking in class while the instructor or other students are speaking
- using offensive language
- sleeping and/or laying one's head on a desk or table

- reading unrelated materials
- talking and/or texting on the phone
- walking in and out or moving about the classroom

Some disruptive students may have emotional or mental disorders. Although such students may be considered disabled and are protected under the Rehabilitation Act/ADA, they are held to the same standards of conduct as any other student.

When a student behaves in a manner that interferes in the instructional process, the instructor should consult with the student and establish guidelines for remaining in the class. Guidelines may include:

- Issuing a warning – an oral explanation by a College official of violation and possible consequences if misconduct continues;
- Dismissal from the remaining class time during which the infraction occurs;
- Assignment of a reduced or failing grade on an assignment, paper, project or exam;
- Reduction in the final grade for the course;
- Assignment of a grade of I, WA or WF for the course;
- Referral, with the appropriate documentation, for disciplinary action.

If the guidelines are not followed satisfactorily by the student, the instructor should advise the student that he/she may no longer be in the class. If the disruptive behavior is such that the student should be removed from the classroom immediately, the instructor should ask the student to leave and should call Campus Safety, if needed. The instructor should advise the Judiciary Council Chairperson or the Dean of Students, in writing, of this action.

In all cases, students will have a right to use the student grievance procedure to appeal the decision of the instructor. Withdrawal from a course does not exempt a student from any pending charges of classroom misconduct.

PROCEDURE FOR ADDRESSING EMERGENCIES ON CAMPUS

A medical emergency is defined as a serious injury or illness. Examples include, but are not limited to: choking, shortness of breath, severe bleeding, broken bones/falls, chest pains, excessive sweating, clammy skin, signs of being lethargic, shock, seizures, etc.

When faced with a medical emergency you should:

- Notify 911 immediately. If using a campus telephone, remember to dial 9 first.
- Next, contact Campus Security at 901-301-7340.
- Contact the Counseling Center at 901-435-1738.
- Stay with or have someone else to stay with the patient until help arrives.
- DO NOT move the patient. Keep the patient still and comfortable.
- STAY out of the way unless assistance is requested once help arrives.

Please have the following information readily available when reporting a medical emergency.

- Building or location where aid is needed.
- Specific location within the building.

- Type of problem and/or the individual's condition.
- Medical history, if known and sequence of events.

POLICY ON MEDICAL WITHDRAWAL OR REMOVAL FROM CAMPUS

The College occasionally faces the problem of students who pose a threat to themselves or others, who are unable to cope, or who create a pattern of extreme disruption. Such behavior constitutes a violation of LeMoyne-Owen College's *Code of Conduct*. Each case will be referred to the Dean of Students for action. Withdrawal from the College may be recommended.

During the investigation of the alleged behavior, the Dean of Students may require an interim removal of the student(s) from campus pending resolution.

If, as a result of this investigation, and with documentation from an appropriate healthcare professional, it has been determined that the student's behavior indicated a substantial risk or threat to self or others, or that the individual is otherwise unable to fulfill the expectations of a student at LeMoyne-Owen College, the pursuit of medical care or a withdrawal from the College may be recommended. Any decision to take further action shall be made by the Dean of Students, in consultation with the appropriate professional staff. At such time, the Dean of Students shall inform the student of the decision and shall initiate the withdrawal process through the Registrar's Office.

Parents or appropriate family members will be notified as soon as possible and must assume responsibility for the student's care. In the event that parents or guardians fail to intervene, appropriate outside agencies will be contacted.

Students who leave the campus under the above conditions, either voluntarily or involuntarily, may be readmitted to the College only after being cleared by the Dean of Students, Admissions, Fiscal Office and Financial Aid. Permission for readmission will typically be based on the student's demonstrating a period of responsible behavior outside of the College, and may require a statement from a physician, psychologist, or other qualified professional that the student is ready to return and cope with college life. Follow-up assessment or services may be required as a part of the readmission decision.

Removal of a student from the College will be undertaken only as a last resort. Every effort will be made to help students understand the consequences of their behavior, make responsible decisions, and develop skills that allow them to remain and function at LeMoyne-Owen College. **Students who have voluntarily withdrawn or who have been removed are not allowed to visit the campus. Any process for readmission shall be initiated through the Dean of Students.**

MENTAL HEALTH POLICY

The mission of LeMoyne-Owen College is to provide students a quality education within an active learning community founded upon service, virtue, consecration, courage, and truth. The College has adopted policies and procedures in accordance with its mission and purposes to address and meet the emotional needs of students who may experience serious life threatening issues that may interfere or disrupt the campus community and its mission.

The College realizes that some students may exhibit behaviors as a result of serious mental health concerns that may pose a danger to themselves and/or others, or disrupt the campus community. If the College determines that the standards of behavior or the continued presence of the student impedes the mission, purposes or function of the College, the student may be subject to sanctions imposed by a review committee designated by the Dean of Students. If, after review, the student is suspended from the College and before the student is considered for readmission, he/she will be required to submit psychological/psychiatric evaluation (independent of the College) that confirms that the student is well enough to effectively function in a higher learning environment.

MISSING STUDENT POLICY

LeMoyne-Owen College takes student safety very seriously. To this end, the following policy has been established to assist in locating LeMoyne-Owen College students living in on-campus housing who, based on the facts and circumstances known to LeMoyne-Owen College have been determined to be missing.

All reports of missing students shall be directed to the Department of Campus Safety, who shall investigate each report and make a determination of whether the student is missing in accordance to policy. At the beginning of the academic year, LeMoyne-Owen College will inform students residing in on-campus housing that the College will notify either a parent or individual selected by the student not later than 24 hours after the time the student is determined to be missing.

ACADEMIC ISSUES

ACADEMIC INTEGRITY

The purpose of a college education is to learn in an environment that fosters intellectual integrity and academic honesty. At the heart of the Magician *Mystique* are academic excellence and the development of intellectual and leadership qualities. As a student at LeMoyne-Owen College, students are expected to abide by the Honor Code: "I will be honest in all of my academic course work and will not indulge in or tolerate the academic dishonesty of my counterparts or peers. I will not partake in any type of misconduct, misrepresentation, or immoral behavior that will harm, damage or endanger any person, property or myself or reflect negatively against me or hinder my academic progress at LeMoyne-Owen College."

It is the responsibility of each student to uphold the highest level of academic integrity and to neither knowingly give nor receive any inappropriate assistance in academic work or documentation. Academic misconduct hinders the learning process and defeats the purpose of obtaining a degree from LeMoyne-Owen College.

Individual and Mutual Responsibility

Responsibility for knowledge and observation of the procedures, rules, or regulations of the College rests directly with the student. It shall be the duty of every student to abide by the campus code and insofar as it may be appropriate, to see that fellow students do likewise. Along with privileges come responsibilities. Students are expected to attend classes, complete assignments, and meet all academic standards of LeMoyne-Owen College.

For information on Academic Standards and Status (Probation, etc.), the student should refer to the current LeMoyne-Owen *College Catalog*.

Regarding non-grade matters, students may file a written complaint, printed and in Standard English, to the appropriate Division Chair, or, if the complaint regards a Division Chair, to the Chief Academic Officer. Before filing a complaint, the student should seek adjudication first with the faculty member, and then with the faculty member's supervisor (Division Chair).

ACADEMIC GRADING GRIEVANCE

There may come a time during the student's attendance at LeMoyne-Owen College that the student may believe an instructor has treated them unfairly in the grading process. If this occurs, there is a grievance process for students to follow.

The Instructor

Before submitting a formal appeal, the student should talk to the instructor first. Frequently, the problem is simply a lack of communication between the faculty member and the student. Most grievances can be worked out at this level.

The Division Chair

It is possible however; that the problem may not be solved during the exchange between the student and the instructor, or the student feels wronged. The next step for the student is to

contact the instructor's Division Chair. The Chair is in the best position to mediate the situation and can intervene, if necessary.

Academic Grievance Appeal Process

If informal adjudication has not satisfied the student's concern, the student can file a formal appeal. All formal grievances and appeals for the purpose of changing a grade must be expressed in writing to the appropriate academic Division Chair, in correct business format, typed or word-processed in clear, standard English. Students must include their complete name, (first and last), e-mail address, full mailing address and phone number where they can receive a response. The letter must be a hard copy with a signature, and should state the basis for the appeal. If the complaint is against a Division Chair, the appeal should be filed with the Chief Academic Officer.

Academic Grievance Committee

In response to the written appeal, the College will initiate the appeals process. Two (2) faculty chosen by the instructor, two (2) chosen by the student and one (1) chosen by the Division Chair will comprise a committee to hear the case. The Division Chair will name a committee chair. This committee will then, after deliberation, make a written recommendation to the Division Chair.

Students must submit the written request for a grade change no later than in the term immediately following the disputed class by the published deadline for student completion of incomplete grades. From the time a student submits the written appeal, there will be a maximum of two weeks to name and establish the committee. If the student does not submit two faculty names by the two week deadline, the Division Chair will appoint those two members as well as the chair of the committee. Once constituted, the committee will have three weeks to meet and render a written decision. The timeframe for appeals during the summer or other times when faculty are not officially on campus depends on the availability of team members.

The Chief Academic Officer

The final authority on all academic matters is the Chief Academic Officer. Therefore, after going through the three (3) steps outlined above, the final appeal is to the Chief Academic Officer. Once the student receives written notification from the committee of the decision, the student has two (2) weeks to file a written appeal, including supporting documentation, with the Chief Academic Officer. The decision of the Chief Academic Officer will be communicated to all concerned parties.

The decision of the Chief Academic Officer is final.

COPYRIGHT/INTELLECTUAL PROPERTY

The Congress shall have Power...to promote the Progress of Science and useful Arts by securing for limited Times to Authors and Inventors the exclusive Right to their respective Writings and Discoveries

U. S. Constitution, Art. 1, Sect. 8

LeMoyne-Owen College promotes compliance with intellectual property laws and understanding of the appropriate use of legally protected material in educational, research, public event, and private settings.

Copyright Basics

1. *What is copyright?*

Copyright is a form of protection provided by the law to the authors of “original works of authorship.” It allows authors to control the use of their works for a limited period of time. Once that time period has expired, the public is allowed to freely use the works without paying royalties or obtaining permission from the copyright holder.

2. *What are the requirements for a work to be copyrighted?*

The work must be an original work of authorship that is fixed (recorded) in a tangible medium. A work is protected from the moment of fixation. The word “Copyright” or © symbol is no longer required for works to be copyrighted.

3. *How long does copyright protection last?*

Works created on or after January 1, 1978 are protected for a term of the life of the author plus 70 years. If the work is a product of a corporate author, then the protection is for the shorter of 95 years from the publication or 120 years from creation.

4. *What can be copyrighted?*

Eight categories of works are subject to copyright:

- Literary, musical, and dramatic works
- Pantomimes and choreography
- Pictorial, graphic and sculptural works
- Sound recordings (including podcasts)
- Motion pictures and other AV works (incl. video clips)
- Computer programs
- Compilations of works and derivative works
- Architectural works

5. *What cannot be copyrighted?*

- Ideas, procedures, methods, systems, processes (but may be patented)
- Titles, names, short phrases, and slogans (but may be trademarked)
- Facts, news, objective research data
- Works produced by U.S. government employees
- Works already in the public domain

6. *What are the copyright holder’s exclusive rights?*

- To make copies of the work

- To distribute copies of the work
- To create derivative works
- To publicly perform the work
- To publicly display the work
- Publication usually involves granting part of the Author's rights to another party, in which case the second party owns rights to the work

7. *What is the public domain?*

- All works that never had copyright protection
- Works on which copyright has expired
- The work of federal employees in their official capacities
- All works in the public domain are free for the public to use—but plagiarism, a separate issue, is still unethical and may be grounds for academic discipline

Major Exemptions

An author or owner's copyright is limited by two major exemptions in the law that generally applies in institutions of higher education: the fair use exemption and the education exemption, which is further split into separate items for distance education and classroom teaching. Campus licensing agreements may limit application of exemptions.

Prosecutable infringement may be:

Direct

- Did it yourself
- Intentional or unintentional

Contributory

- Knew or should have known of the infringement
- Materially contributed

Vicarious

- Benefited financially or professionally
- Had right and ability to control the infringement

Copyright in Cyberspace

- Information available on the Internet is protected by copyright, but fair use and education exemptions exist in cyberspace as well.
- Free or easy direct access to WEB pages or electronic files (including file sharing) does not put them in the public domain.
- Downloading and/or file sharing of video, audio, and other works may be considered copyright infringement unless it falls under the copyright exemptions or is authorized by the copyright owner.
- E-mail messages, blog postings, personal photos and home videos are works subject to copyright no matter on which site they appear.

Protect Yourself

- Acquire legally obtained copies
- Use extracts of clips in class work
- Ask permission
- Keep class work in the class or portfolio

POLICY STATEMENT FOR GENERAL STUDENT COMPLAINTS

Students with general complaints (Grievant) are encouraged to resolve the issue at an informal level by discussing the concern with the Respondent (another student, volunteer, client, faculty member and/or administrator identified by the Grievant as causing or contributing to the grievance) or the Respondent's supervisor.

If the Grievant is unable to resolve the concern at the informal level, then the Grievant may proceed to the formal level. The Grievant should file, no later than 20 days after the alleged incident, a written statement of the actions complained of and describe the resolution sought. This written complaint should be filed with the Dean of Students. Once a written grievance is filed or referred, the Dean of Students will determine whether or not the situation states a grievable offense. The matter will be closed if the situation is determined not grievable and the Grievant will be notified of the reasons.

If the matter is determined to be grievable, the Dean of Students or designee (which may be an individual or a committee) shall hear the grievance and establish reasonable rules for the grievance procedure. A hearing will be held which will give the grievant and College personnel, who were named in the grievance, an opportunity to explain their knowledge of the issues surrounding the grievance, and to review any related information/materials.

The Dean of Students may choose to hear the information in separate/individual hearings. In the event that the student is under the age of eighteen or incapacitated, the student may have an advisor present to assist in presenting the case.

Students do not have the right to be represented by an attorney during these proceedings except in the case where civil or criminal action concerning the student is pending, and in that case the attorney's role shall be advisory only. The student is responsible for presenting their own case and, therefore, advisors are not permitted to speak at or to participate directly in any hearing except when the student is under the age of 18 or incapacitated.

Considering oral and written statements and comments, the Dean of Students shall issue a decision within ten (10) calendar days of the close of the hearing. The decision shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). The decision of the Dean of Students is final unless either party files a Petition for Review with the President within five (5) calendar days of notification of the decision.

The Petition for Review may be filed only on the following basis: (1) the process outlined in this procedure was not followed, (2) the decision was arbitrary and was not based on the facts of the grievance, and/or (3) the Grievant or Respondent can provide new information that was not available during the meetings/hearings. (Information that was deliberately withheld will not be considered during the Petition for Review.) Upon receipt of a petition, the President will review the record and issue a written decision within ten (10) calendar days of the receipt of the petition. The President's decision is final. The Dean of Students or the President may, for good cause, extend the scheduling timelines described above.

Students should initially pursue a resolution of complaints regarding academic programs, financial aid and other matters through the institution's complaint procedure.

State of Tennessee Complaint Procedures

If the College is unable to resolve a student complaint that has state jurisdiction, the student has the right to contact the State of Tennessee and its appropriate agency to determine the course of action. Complaints can be filed with the following agencies in Tennessee:

Complaints related to the application of state laws or rules related to approval to operate or licensure of a particular professional program within a postsecondary institution shall be referred to the appropriate State Board (i.e., State Boards of Health, State Board of Education, and so on), within the Tennessee State Government and shall be reviewed and handled by that licensing board (<http://www.tn.gov>), and then search for the appropriate division.

Complaints related to state consumer protection laws (e.g., laws related to fraud or false advertising) shall be referred to the Tennessee Division of Consumer Affairs and shall be reviewed and handled by that unit (<http://www.tn.gov/consumer/>).

Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)

Allegations regarding noncompliance with accreditation standards, policies, and procedures may be made to SACSCOC, 1866 Southern Lane, Decatur, GA 30033-4097. (The Commission's complaint policy, procedure and the Complaint form may be found on their website: <http://www.sacscoc.org/pdf/081705/complaintpolicy.pdf>)

POLICY STATEMENT ON DISCIPLINE

LeMoyne-Owen College assumes that it is a community of mature students. It, therefore, expects that its students will conduct themselves in ways that will bring respect to them, as well as to the College community; and they will execute their duties and responsibilities with resourcefulness and dignity, and that at all times will carry themselves in ways that are reflective of a true LeMoyne-Owen College student. Any student at LeMoyne-Owen is liable to suspension, expulsion, or other penalty for the commission of any breach of discipline or other misconduct, which, in the opinion of the Judiciary Council and/or the Dean of Students, merits such punishment. The tradition, principles, and regulations of the College, accepted by each student in the voluntary act of registration, require behavior in harmony with high standards of conduct.

The Zero Tolerance Policy is a policy of not having tolerance for identified transgressions (students found guilty of the possession and/or use of illegal drugs and alcohol, initiating a fight or assault, or possession of a weapon) on campus. Any infraction of these policies and/or regulations will be met with full punishment up to, and including possible immediate suspension and/or expulsion. If concrete evidence is found to substantiate violation of the “zero tolerance policy,” offending students must vacate the premises immediately.

DISCIPLINARY OFFENSES

Generally, through appropriate due process procedures, institutional disciplinary measures shall be imposed for conduct which adversely affects the institution's pursuit of its educational objectives, which violates or shows a disregard for the rights of other members of the academic community, or which endanger property or students.

Although plagiarism can take many forms, it is essentially the presentation of some other person's work as if it were the work of the presenter. A faculty member has the authority to grant a lower grade in case of academic dishonesty. If the student believes erroneous accusation of academic misconduct, and if the student's final grade has been lowered as a result, the student may appeal the case to the Division Chair and finally the Chief Academic Officer. The review will follow the process for an appeal for change of grade. Violators of academic integrity are subject to College disciplinary sanctions and may be punished by law.

21. *Slander* - a malicious, false, and defamatory statement or report.

Disciplinary Sanctions

In cases where self-discipline fails, the Judiciary Council becomes the rectifying body. Upon a determination that a student or organization has violated any of the rules, or disciplinary offenses set forth in these regulations, the following disciplinary sanctions may be imposed, either singularly or in combination, by the Judiciary Council or appropriate official.

Definition of Sanctions

1. *Reprimand* – a written reprimand or censure may be imposed upon any student or organization whose conduct violates any part of these regulations. Such a reprimand is not restrictive in any way but does have important consequences. A reprimand signifies that another chance is being given. However, a reprimand is also a warning of more stringent disciplinary action in the event of any future violation(s).
2. *Restitution* – a student or organization who has committed an offense against property may be required to reimburse the institution or owner for damage. Any such payment in restitution shall be limited to actual cost of repair or replacement.
3. *Interim Suspension* – suspension pending a hearing may be imposed when there is probable cause to suspect imminent danger to another person or property on the campus. In such cases, a hearing will be held as soon as possible.
4. *Disciplinary Probation (Student)* – a student on disciplinary probation loses all social privileges including participation in extracurricular activities; the student is ineligible to represent the College in any capacity; may not be elected to office and shall vacate any office presently held. The length of the probation shall be determined by the Judiciary Council, but shall not exceed one (1) academic year.
5. *Disciplinary Probation (Organization)* – when improper conduct has occurred and an individual cannot be charged, and where a specific organization is involved, the sanction shall be imposed against the organization. Restriction of organizational privileges may include, for example, cessation of all group activities, denial of permission to give off-campus performances, and denial of privileges inclusive of use of facilities, budgets, etc. In addition, more stringent actions, if warranted, could include denial of all campus activities such as in-take and the like. The length of the probation shall be determined by the Judiciary Council but shall not exceed one (1) academic year.
6. *Suspension* – when a student is suspended, the student is separated from the institution

and/or campus housing for a determined period of time with conditions of readmission stated in the notice of suspension. Once students are officially separated from the College, the student is required to leave the campus immediately and give his/her student ID to Campus Security. During suspension, the student is not allowed on campus for any reason without the expressed approval of the Dean of Students. Failure to adhere to this sanction may result in arrest for criminal trespassing.

7. *Expulsion* – expulsion means a permanent and immediate separation from the College. The imposition of this sanction is a permanent bar to the student’s readmission to the institution. Additionally, the student is physically banned from the campus. If the student returns to campus without the expressed authorization from the Dean of Students, the Memphis Police Department will be notified and the expelled student(s) will be arrested for criminal trespassing.
8. *Withdrawal or Temporary Suspension due to Severe Psychological or Medical Disturbance* – if a student is: (1) unable to effectively pursue his/her academic work, (2) disruptive to the normal education process of the College, or (3) suffering from severe psychological or medical disturbance, the student may be withdrawn or temporarily suspended from the College. Generally, involuntary withdrawals will be undertaken when a student suffers from severe psychological disturbance, which is not attributable to voluntary conduct subject to disciplinary action under the Student Code of Conduct.
9. *Campus/Community Service* - a sanction imposed upon a student as a result of a violation of the *Code of Conduct*. Service is provided by the student to a specific on-campus area or department of the College for a specific amount of hours as imposed by the judicial body. Monetary compensation is not provided.
NOTE: Failure to complete required campus/community service will result in the student being placed on a disciplinary hold and/or suspension from the College.
10. *Research Assignment* - based on the nature of the offense, students may be required to complete a research assignment on a topic related to the offense committed. The research assignment must be typed, completed and submitted by the specified deadline. The assignment must be thorough, comprehensive, and scholarly. The completed project must also conform to other specifications that may be imposed by the Judiciary Council.
NOTE: Failure to comply with the terms of such sanction may result in temporary suspension from the College until all matters are agreed upon by the student and the appropriate official, or all requirements have been completed.
11. *Workshop Participation* - in some cases of sanction, students may be required to assist in developing, coordinating, and evaluating workshops related to the nature of the offense that the student has committed. Students may also be required to participate in workshops to enhance their knowledge and understanding of a particular topic related to the offense committed. In such instances, students are required to be prompt, attentive, and to present a well-written, typed summary of the activity to the chairperson of the Judiciary Council within 24 hours of the event.
NOTE: Failure to comply with this sanction may result in interim suspension from the College.
12. *Loss of Privileges* - a student who receives this sanction will be notified in writing of the specific privilege(s) that has been lost. The privileges may include removal/eviction from on-campus housing, or restriction from participating or attending any recognized campus

organizational function, etc. The written notification shall include the time period for which the student has lost such privileges.

13. *Zero Tolerance* – this is a policy of not having tolerance for identified transgressions (students found guilty of the possession and/or use of illegal drugs and alcohol, initiating a fight or assault, or possession of a weapon) committed on campus. Any infraction of these policies and/or regulations will be met with full punishment up to, and including possible immediate suspension and/or expulsion.
14. *Dismissal from Campus Housing* – residential students may be dismissed from campus housing for violation of the Code of Conduct or residential life policies. These students will be allowed to complete their academic requirements, but will forfeit their right to reside in the dormitories.
15. *Procedure for Immediate Dismissal from the Campus* – a student who receives a sanction of suspension or expulsion, or the penalty of dismissal from campus housing, must vacate the campus/dormitories by the end of the same day. The student is responsible for taking all personal items with them. The student may designate a person to entrust the disposition of any remaining property. However, the College is not responsible for items left behind. Items left over thirty days are subject to appropriate disposal. Students returning to the campus without expressed permission from the Dean of Students or the Director of Campus Security will be subject to immediate arrest for criminal trespassing.
16. *No Contact Rule* - interim sanctions may be applied during the investigative process of an offense against the Student Code of Conduct. During this time, involved students are not to have contact with others connected to the allegation or confrontation that has taken place. To ensure safety, students may be required to leave campus housing or be suspended from attending classes until the matter has been resolved. During such time, all parties (instructors, campus safety, and housing staff) will be notified.

DISCIPLINARY PROCEDURES AND APPEAL

Through a cooperative effort of faculty, staff, and students, the College has developed procedures for adjudicating allegations that students have violated College regulations. It is felt that these procedures serve well the interest of students in obtaining full and fair hearings with a minimum of complexity and inconvenience. The Student Affairs Division has administrative responsibility for the judicial process. The process consists of a College Judiciary Council and a College Appeals Board. The Appeals Board hears appeals from the Judiciary Council.

The Judiciary Council

The purpose of the Judiciary Council will be:

1. To hear cases involving serious offenses against the College community or a member thereof by a student or students;
2. To decide in case of a violation what sanction(s) shall be imposed against the person(s) involved;
3. To set the specific conditions and length of such sanction(s) as prescribed;
4. The decision of this Council shall be final subject to appeal to the Appeals Board;
5. The Council may be composed of up to a maximum of eight (8) persons: two (2) faculty members, two (2) staff members and four (4) students. The Dean of Students shall appoint faculty, staff and student members, and each member shall serve a term of one (1) year. The Director of Student Development shall serve as chairperson of the Council. The quorum for any given hearing will be drawn from three (3) members of the Council

to be comprised of one (1) faculty, one (1) staff member, and one (1) student. The selection process shall be the responsibility of the chairperson;

6. The Chairperson and Council members will be subject to recusal if there is a perceived conflict of interest. To warrant recusal, a Council member must have a perceived personal bias or prejudice concerning a student, or have a personal knowledge of information regarding the hearing. The Chairperson will determine recusals;
7. The Director of Counseling will serve as the Assistant Chairperson of the Council; and
8. The Chairperson has the authority to dismiss the Council at any point that order cannot be maintained or restored.

Initiating the Case

Any academic or administrative official, faculty member, or student may file charges, in writing, against any student for misconduct. The charges should be filed with the Dean of Students. In an emergency or in extraordinary circumstances, the Dean of Students may suspend the student(s) pending consideration of the case. The Dean of Students shall make a preliminary investigation of the case to ascertain whether the charges can be disposed of without setting in motion the Judiciary Council. If disposition cannot occur, copies of the charge will be sent to the Chair of the Council.

The Hearing

Upon receipt of the charges, the Chair of the Council shall schedule a hearing. The student(s) shall be given notice of the time and place of the hearing, shall be informed of the charge(s) being brought, and shall be advised that witnesses may be present. The accused student has the option to call a maximum of three witnesses in his/her defense. Judicial Hearings will be held on Thursdays at 2:00 pm. However, the Council will meet as extenuating circumstances arise. All hearings are private.

If, for lack of a sufficient reason, as judged by the Council, an accused individual fails to appear at the agreed time of the hearing, the Council reserves the right to proceed without the presence of the accused. If the absence is unexcused, the accused forfeits any right of appeal. The Council shall hear the testimony of any witnesses. A record of all hearings shall be kept under the supervision of the Chair and made available to all parties involved in preparing appeals. Students are required to dress professionally for the hearing. The Judiciary Council shall, make within three (3) days, a full report to the Dean of Students including the minutes, the decision, and recommendations. The Council shall also provide the accused with a copy of its decision within three days. Any student who feels that he/she has cause may appeal a disciplinary decision by filing a notice of Appeal with the Appeals Board.

Appeal Procedure

The accused may appeal the decision of the Judiciary Council by so stating in a letter to the Dean of Students within seven (7) days after the decision. The petition of appeal will be forwarded within two (2) days to the Appeals Board. The appeal shall be limited to a review of the Council's decision for the purpose of determining whether the Council acted fairly in light of the charge and evidence presented to the Council.

The Appeals Board serves as a review committee only to determine whether the Judiciary Council acted fairly in rendering its decision. If the Appeals Board finds that the Judiciary

Student Affairs 07/01/2015 Final

Council acted unfairly, the decision will be sent back to the Dean of Students for further consideration. If the Appeals Board supports the original ruling, the decision of the Council stands.

The Appeals Board cannot amend the decision of the Judiciary Council, call witnesses, or further question the alleged offender(s). The Chairperson of the Judiciary Council will submit detailed minutes of the hearing and the decision rendered for the review of the Appeals Board. All sanctions apply during the appeal process.

Copies of the decision on the appeal will be sent to the accused and to the Dean of Students or the designee.

Appeals Board

The Appeals Board will be selected from among the remaining five (5) members not associated with the case. The selection process shall be the responsibility of the Dean of Students and/or designee.

The Appeals Board shall be comprised of three (3) members; one (1) from each group of the Judiciary Council who have not been involved in adjudicating of the case being considered. The Chair will be elected by mutual consent. The Chair's responsibility will be to conduct the appeal hearing and to provide the appropriate bodies with copies of the Appeals Board's decision.

Decisions of the appeal may be lobbied in writing to the Dean of Students. The Dean of Students has the power to overturn a ruling if it is deemed unfair. **Only "zero tolerance" offenses that result in sanctions of suspension or expulsion may be appealed to the President. All other sanctions approved by the Dean of Students are final.**

Due Process Hearings

In rare incidences a Due Process Hearing/Appeals Hearing may be convened to ensure that the Council has acted fairly in rendering a decision for all concerned parties.

Role of the Attorney

When a student is accused of violating the *Student Code of Conduct* and criminal charges are pending against the student, an attorney may be present. In such instances, the role of the attorney is limited and passive. The attorney cannot actively participate in the hearing or ask questions of the witnesses or judicial board members. The attorney's role is to advise the student regarding self-incrimination and to observe the proceedings. If a student does not have current criminal charges pending, an attorney will not be permitted to be present during any disciplinary proceedings.

Role of the Parent

Parents are prohibited from attending judiciary proceedings.

STUDENT CODE OF CONDUCT

PURPOSE AND OBJECTIVES

The student Code of Conduct is designed to protect the rights and privileges of students and to help produce and safeguard an atmosphere on campus where the acquisition of knowledge and the development of self are paramount. This Code is further designed to clarify what the College expects of its students in matters of conduct and decorum, and to describe the judicial procedure for handling cases of discipline. College constituents are urged to report violations of the Code of Conduct immediately to the Director of Student Development or Dean of Students. Failure to report may jeopardize the safety of the campus.

In the governance of the College, the largest liberty consistent with good work and good character is afforded to students. The habits of life are expected to be such as to promote daily cultivation of high moral conduct. The primary objective of all students should be concerned with intellectual pursuits and scholarship. COUNSELING CENTER

The Counseling Center plays an integral role in enhancing the academic, social, and personal life of students at LeMoyne-Owen College. The Center provides an array of services, activities, and experiences that contribute to students’ welfare and safety that complement the College’s mission, goals, and objectives. The Center provides services to increase retention and graduation rates, and to foster an institutional climate supportive to the success of each student. These services consist of academic, personal, social, individual and group counseling.

In recent years, there has been a growing concern in the College community for enhancement of services and programs to meet the personal and developmental needs of students. This concern

runs concurrent with emphasis on instruction and research, recognizing that every individual must meet certain basic personal needs in order to function successfully in a learning situation. The Counseling Center provides academic support to students by helping all students adjust to and benefit maximally from the academic environment. The Counseling Center promotes student growth along a broad spectrum with particular emphasis upon personal characteristics and interpersonal competencies. Included is a positive yet realistic self-image, appropriate personal choices, and the ability to relate to others in meaningful and mutually satisfying ways – in general, the ability to engage in a personally satisfying and effective style of living. The Counselors have an “Open Door” policy and are available to see students whenever the need arises. Appointments are welcomed but are not required.

Goals and Objectives

The general purpose of the Counseling Center is to assist students in becoming maximally effective as individuals. Goals established for the Center are herein summarized:

- To assist students in identifying their strengths and weaknesses (academic, social and personal) through counseling techniques and information services;
- To study and assess the students’ needs and assist in the formulation of “student success” that will be relevant to students’ needs;
- To aid students in meeting educational and developmental needs beyond the classroom.

Confidentiality Statement

Counseling often deals with very personal and private issues and is predicated on the principle of confidentiality that is established by law and professional ethics. Disclosure of information to third parties without consent of the student is prohibited. However, when necessary to protect the student and/or safety of others, disclosure of information about the student by faculty and staff to professionals within the College who have cause to know and are in professional positions to assist that student, is acceptable.

DISABILITY SERVICES

It is the policy of LeMoyne-Owen College to comply with Section 504 of the Rehabilitation Act of 1973, and with the Americans with Disabilities Act of 1990 in providing reasonable accommodations to qualified students with disabilities.

The Division of Student Affairs is the place to begin for students with disabilities who wish to apply for accommodations. LeMoyne-Owen College has a clearly articulated procedure as to who retain pertinent documentation, what steps students must take to declare the need for disability related accommodations, and how that information is communicated to faculty.

Students who have a diagnosed and documented disability that would like to receive accommodations must self-identify with the Office of Student Development. It is the students' responsibility to self-identify if accommodations are expected. Accommodations will not be given automatically. Student should follow these steps:

- Meet with the Coordinator of Student Development
- Register for Disability Services
- Submit documentation to substantiate the disability

After the instructor and student have signed and agreed upon the recommended accommodations, it is the student's responsibility to submit the appropriate forms to the Office of Student Development. This same procedure must be followed each semester for the duration of requested services. If the signed documentation is not submitted as instructed, students will not receive accommodations for any semester in which documentation is not provided.

Students must not wait until they are unsuccessful in a course to register for disability services. Accommodations are not retroactive and will only be provided from the point of notification.

EMERGENCY TEXT MESSAGING SYSTEM - e2Campus

This system allows students, staff, and faculty to sign up at no cost to receive text messages regarding school emergencies, school closings, inclement weather, and school announcements. Students must register their telephone number in order to participate in the program. Students may log on to the campus Home Page (www.loc.edu) and click on e2Campus to register. Please note that if your provider charges for text messaging, you will incur text messaging charges for messages received from the College. When a student changes their telephone number, the student will need to update their information in the e2Campus system. For additional information/assistance contact the Compliance Department at 901-435-1465.

FINANCIAL AID

The College's Financial Aid Program aims to make it possible for any qualified student to attend LeMoyne-Owen College. Since funds are limited, it is important for students to meet the application deadlines described below.

Application Form

Students seeking financial aid from any source must complete the *Free Application for Federal Student Aid* (FAFSA). This application determines a student's eligibility for all federal aid programs, grants from the Tennessee Student Assistance Corporation (TSAC), and LeMoyne-Owen College Scholarships. The FAFSA is available via the Web at www.fafsa.ed.gov. Students applying for a LeMoyne-Owen College Scholarship must also complete a separate College Scholarship application.

Personal Identification Number (PIN)

All students will be required to create a username and password (FSA ID) when accessing financial aid information through certain U.S. Department of Education (ED) websites. The FSA ID will replace the PIN as the way to confirm the applicant's identity when accessing financial aid information through certain ED websites. When applying for FSA ID for the first time, your name, date of birth and Social Security Number (SSN) will be sent to the Social Security Administration (SSA). If the information provided does not match with the SSA, the applicant will not be able to receive a FSA ID.

When logging in to these websites, the applicants will be required to enter only the FSA ID username and password. The website to create a FSA ID is: [Create an FSA ID now](#). The FSA ID serves as an identifier to let the user access personal information in various U.S. Department of Education systems. Because the FSA ID serves as an electronic signature, you should not give it to anyone. The username will not expire, but the FSA ID password will expire every 18 months.

Frequently Asked Question: When should I get an FSA ID?

You, and your parent if you are a dependent student, can apply for an FSA ID at any time. If you do not have one by the time you fill out your FAFSA, you will be prompted to apply for one.

You can use your FSA ID at the below listed U.S. Department of Education Websites:

FAFSA on the Web (www.fafsa.ed.gov): Access and complete the Free Application for Federal Student Aid (FAFSA) and submit corrections to your processed FAFSA. You may also use your FSA ID to electronically sign your submitted FAFSA or obtain a copy of your processed FAFSA information.

The National Student Loan Data System website www.nslds.ed.gov: View a history of the federal student financial aid you have received.

The Direct Loan Servicing www.studentloans.gov: Use your FSA ID to access Direct Loan Counseling and Entrance Counseling. Use your FSA ID to get up-to-date account information, loan balances, and payoff information. Use the online repayment calculator to help you forecast repayment of your loan and contact the customer service staff by e-mail.

The Direct Loan Consolidation Website www.studentloans.gov: Your FSA ID will enable you to track the processing status of your online Consolidation Loan application throughout the entire consolidation process, from application receipt to booking with Direct Loan Servicing.

Entrance and Exit Counseling

Federal regulations require students to complete an entrance interview to explain the rights and responsibilities for participating in the Federal Loan Programs. Upon graduation, graduating seniors must complete an exit interview to be cleared by the Office of Student Financial Services. Students who withdraw before they successfully complete a semester in which enrolled must complete an exit interview also. Graduating seniors must apply for a FSA ID if they do not currently have one. Entrance and Exit Loan Counseling is conducted via the web at www.studentloans.gov. Students will have to enter their FSA ID to access both sites.

Deadlines

Since funds are limited, priority will be given to students whose completed applications have been received in the Office of Student Financial Services by:

April 1st – for fall semester

November 1st - for the spring semester

April 24th - for the summer semester

Please see the Official College Calendar for the deadlines to complete current financial aid files, to process/initiate loans to satisfy current balances, and/or receive any refund due.

Renewal

Renewal of financial aid is not automatic. All students, including scholarship recipients, must complete the Free Application for Federal Student Aid (FAFSA) or the renewal FAFSA each year to be considered for financial aid for that year.

Earned versus Unearned Aid

Federal law requires that, when a student withdraws from all classes during the enrollment period, the amount of financial aid assistance “earned” up to that point is determined by a specific formula. If a student has attended classes through the last day to validate (census date), which is typically the 14th class day of the semester, the full semester's tuition is due and payable to the College regardless of the class drop date or date of withdrawal, unless the student withdraws due to protracted illness or injury.

Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws or ceases attendance (grade of “WF”), the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive, and the amount of Title IV grant or loan assistance earned by the student must be determined.

Location and Hours of Operation

The Office of Student Financial Services is located in Brownlee Hall Room 27. Hours of operation are Monday - Friday, 8:30 a.m. to 4:30 p.m., with an abbreviated schedule during the summer months.

Return of Title IV (Financial Aid) Funds/Institutional Refund Policy

Federal regulations require each educational institution to have a written policy for the refund and repayment of aid received by students who withdraw from all classes during a term for which financial aid has been approved. These policies are effective only if the student completely terminates enrollment (e.g., voluntarily withdraws from all courses or is dismissed from all classes).

Definitions

The term "Title IV Funds" refers to the Federal Financial Aid programs authorized under the Higher Education Act of 1965 (as amended), and includes the following programs:

- Federal Pell Grant Program
- Federal Supplemental Educational Opportunity Grant (SEOG)
- Federal Subsidized/Unsubsidized Family Federal Education Loan (FFEL)
- Federal Plus Loan

- The calculation of the return of Title IV funds (and state funds if applicable) is determined by the date that the student withdrew from all classes. A student's withdrawal date is determined by:
- The date the student officially notifies the institution of intent to withdraw; or,
- The student's last day of recorded class attendance or at an academically-related activity; or
- The midpoint of the enrollment period for students who leave without notifying the institution (an unofficial withdrawal).

Earned Federal Aid

Federal law requires that, when a student withdraws from all classes during the enrollment period, the amount of financial aid assistance "earned" up to that point is determined by a specific formula.

The enrollment period for a program measured in credit hours is one semester; an enrollment period for a program measured in clock hours is the total number of clock hours in the program of study.

The amount of financial aid earned is determined on a pro-rata basis. That is, if a student withdraws after completing 40 percent of the enrollment period, the student has earned 40 percent of the amount of Federal Aid for which the student was entitled. The school takes all or a portion of the earned Federal Financial Aid (except Federal Work-Study earnings, if applicable) to pay any outstanding charges that remain on the school account. Once the student has completed more than 60 percent of the enrollment period, the student earns all of the financial aid assistance for which the student was entitled.

Return of Funds Allocation

In accordance with federal regulations, financial aid funds are returned in the following order if applicable:

1. Unsubsidized Stafford
2. Subsidized Stafford
3. Federal Pell Grant
4. Federal SEOG
5. Other Title IV programs
6. Other state, private and institutional aid

Institutional and Student Responsibilities

Institutional responsibilities with regard to the return of Title IV/State funds include:

- Providing each student with the information given in this policy;
- Identifying students who are affected by this policy and completing the Return of Title IV and/or State funds calculation in accordance with Federal and state regulations;
- Returning any Title IV funds and State funds to the appropriate program(s).

Student responsibilities with regard to the return of Title IV/State funds include:

- Possible repayment of federal funds;

- Returning to the Title IV programs any funds that were disbursed directly to the student and which the student was determined not to have earned in accordance with Federal and State regulations.

Refunds

Full-time students, whose course load falls below 12 credit hours because courses are cancelled by the College, or because the student formally drops courses before the end of the drop period, become part-time students. Students who become part-time may lose support from certain financial aid programs. If the College cancels the course, the student will be refunded the appropriate portion of tuition.

If a student has attended classes through the last day to validate (census date), which is typically the 10th class day of the semester, the full semester's tuition is due and payable to the College regardless of the class drop date or date of withdrawal, unless the student withdraws due to protracted illness or injury.

If such illness or injury prevents the completion of the semester's academic work, as certified by a physician, a pro-rata refund will be issued on the following basis:

Official Withdrawal Date percentage of tuition refunded because of illness or injury:

- By end of first week of class 100%
- By end of second week of class 75%
- By end of third week of class 50%
- By end of fourth week of class 25%
- After fourth week of class 0%

A semester's activity fee(s) cannot be refunded in whole or in part. There are no pro-rata refunds of a semester's room and board fees. Federal Title IV funds will be returned to the federal agency based on the federal pro-rata refund calculation. After the Census Date (last day to validate), which is typically the 10th class day of the semester, the full semester's tuition is due.

If a student has attended classes through the last day to validate (census date), which is typically the 14th class day of the semester, the full semester's tuition is due and payable to the College regardless of the class drop date or date of withdrawal, unless the student withdraws due to protracted illness or injury.

FOOD SERVICES

The Department of Food Services provides a meal service plan for students that have contracted to live in on-campus housing. Students who live off-campus may also purchase meal plans. Meals are consistent with the basic necessities of good health and proper diet. A schedule of hours for meals is posted in the foyer of the Robert C. Lipscomb Dining Hall, on residence hall bulletin boards, and at other campus locations.

All residential housing students are required to purchase a meal plan, except for Summer I and Summer II students. Meal plans are non-transferable. The unauthorized use of meal cards is prohibited.

Except on occasions when bag or box lunches are prepared, food is not to be taken from the dining area. A request signed by a residence hall staff person is required for permission to take food to a student who is confined to the residence hall for a valid reason.

M.A.G.I.C. MOVING A GENERATION IN COMMUNICATION

As our logo reads, LeMoyne-Owen College is determined to move a generation in communication. The College recognizes the importance of both written and oral forms of communication and strives to provide students with tools that will enable them to succeed in their chosen professions. To that end, the College developed a five-year plan to help students develop stronger and more effective oral communication skills. It is called the Quality Enhancement Plan or QEP. Though writing still remains of great importance, the College realizes that students often struggle with engaging in verbal communication with various audiences. The Plan is designed to merge that glowing resume with an awesome interview; a winning essay with an exceptional presentation, and a thought-provoking poster presentation with an inspiring overview. To help the student improve in the areas of speech delivery and speech presentation, the plan include in-class evaluations, one-on-one training, group training and workshops. Students, also, have access to technology and applications to assist them in becoming competent and confident presenters.

SPIRITUAL LIFE

LeMoyne-Owen College is an educational institution grounded in strong religious principles and beliefs. The College encourages student involvement in local congregations. Local churches welcome LeMoyne-Owen College students, and seek to provide the College community with opportunities for service and fellowship. Interaction with other believers is a valuable experience, especially for those who are unable to return home on a regular basis. Students are able to develop or further their faith while sharing and serving at local congregations. Students may contact the Office of Student Affairs for further assistance in locating a local congregation.

STUDENT ACHIEVEMENT CENTER

The Student Achievement Center (S.A.C.) is designed to improve retention and enhance student achievement through quality academic coaching, monitoring and follow-up. Specifically, the S.A.C. will centralize needed services in order to create a community of support for students, ensure quality academic advising and referrals to appropriate on- and off-campus services (personal counseling, health and wellness, financial aid, Teaching/Learning Center, etc.), and collaborate with faculty to improve student success in critical courses.

The Student Achievement Center specifically focuses on three academically related areas in an effort to improve the student's chance at academic success:

Early Warning Notice Involvement:

The S.A.C. communicates with and assists any students who receive Early Warning Notices and/or Midterm grades of D, F or I from instructors. An Early Warning Notice is a proactive tool utilized by instructors to notify students of academic concerns in classes (i.e. unsatisfactory progress). Students who receive a Midterm grade of D, F or I are contacted by the Center's staff.

Developmental Class Intervention:

The S.A.C. also provides additional academic support for students in developmental classes (“0” level classes) by consistently working with the instructors to monitor students’ performance in these classes (MATH 011, READ 015/016, ENG 010/011). Successfully completing developmental classes are vital to a student’s success as these classes not only provide the basic skills needed in future classes, but also must be completed before a student enrolls in classes towards graduation requirements (CORE II and up).

Academic Advising:

The Student Achievement Center is responsible for advising undeclared and/or undecided students. In an effort to support the retention of freshman students, the SAC works with FRSM faculty to advise and pre-register students with less than 33 credit hours. The SAC will remain a vital forefront to ensure freshman students receive the necessary guidance and intervention needed to matriculate through college. The SAC encourages students to enroll in 15 credit hours per semester. This will promote degree completion in four years. Our goal in the SAC is to improve retention through the development of programs to improve students’ academic success.

Academic Standards Committee:

Students who are not in academic “good standing” at the end of any year at LeMoyne-Owen College are placed on academic probation and must meet with the Academic Standards Committee. The S.A.C. provides further academic support for students who are on academic probation and assists in finding and using the appropriate academic resources to increase the student’s grade point average.

Academic Enrichment Program (Summer):

Targeted towards incoming freshmen and provided at no cost, students who enroll in this five-week program have the opportunity to take placement tests early and strengthen their Math and English skills in preparation for the fall semester. In addition, students can possibly test out of developmental Math and English courses and/or if qualified, take up to two college level, summer session courses at no cost. Acclimating students to the campus, college coursework and participating in early registration (better class selection) are additional incentives the program will provide.

Peer Teaching Assistants:

Similar to universities that utilize graduate assistants, some of our academically strongest students (usually upperclassmen) are placed into classes to aid participants in gaining a better understanding of instruction. Placed into mostly Core I and Core II classes, our Peer Teaching Assistants have a proven track record of success in a subject before being placed into classes. Furthermore, many of these Assistants also serve as tutors in the Teaching and Learning Center.

Office Hours and Location

The Student Achievement Center is located on campus in Gibson-Orgill Hall (GOH) Room 209, Offices E-H. Hours of operation are Monday through Friday from 8:30 a.m. to 4:30 p.m. Students are strongly encouraged to come to the Center to seek assistance at any time.

STUDENT USE OF ELECTRONIC MESSAGE BOARDS

In our effort to provide up to date and relevant communication to students, we have instituted a digital signage system. Monitors are placed strategically across the campus to provide information such as announcements, messages, student achievements, student upcoming presentations, activities, and engagements, etc.

The electronic message board may be used by students and registered student organizations to display College related events. All postings of College news and events sponsored by College clubs and organizations (with appropriate content) may be posted by representatives of those organizations at the discretion of the Director of Student Activities. Posters, announcements, banners, cards or other campaign material for any individuals seeking elected positions may be posted only after approval by the Director of Student Activities.

To request electronic message board display:

- Submit message board request to the Director of Student Activities for approval
- Upon approval, allow five business days for message to display on electronic board
- Please see the Director of Student Activities with any questions or concerns

The federal government's TRIO programs are designed to identify promising students (Talent Search); to prepare high school students to succeed in college (Upward Bound); to provide information on academic and financial aid opportunities (Education Opportunity Centers); to provide tutoring and support services to students once they enter college (Student Support Services); to ensure college retention and graduation; and to encourage graduate school matriculation. LeMoyne-Owen College is funded by the United States Department of Education to participate in the Upward Bound Program.

STUDENT ACTIVITIES AND STUDENT LIFE

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) at LeMoyne-Owen College is designed to provide an opportunity for students to develop a sense of responsibility for adherence to accepted standards of group life and to demonstrate the social skills required for intelligent self-government. The extent to which student self-governance is effective depends upon the degree to which students accept and perform their role(s) in the process. It is also the mechanism for student involvement in institutional decision making. In addition, the Student Government at LeMoyne-Owen College provides an excellent educational and leadership development experience. The SGA Advisor serves as the facilitator for ensuring the professional development of and providing guidance for SGA leaders.

Specific information on the Student Government Association can be found in the SGA Constitution located in Appendix I.

General Regulations for Student Activities

Following are general regulations that apply to student organizations approved by LeMoyne-Owen College. Approved student organizations are entitled to request and receive funds from the Student Government Association.

Observance of these regulations reduces conflict in the scheduling of student activities and provides security for College property and members of the LeMoyne-Owen College family.

1. Campus organizations must submit the following information to the Director of Student Activities at the beginning of each semester. Otherwise, approval may be denied during said semester:
 - a) list of all current officers, members and campus advisor(s) at the beginning of each semester,
 - b) signed Advisor Certification form,
 - c) current organization's Constitution and By-laws.
2. Each organization should have at least one advisor who is accessible to the College. If a Greek letter organization is unable to secure an on-campus advisor, the name, address, telephone number and letter of verification of an off-campus advisor(s) must be provided each semester, or said organization will be subject to suspension.
3. Campus Greek letter organizations are required to submit the following information to the Director of Student Activities before any organizational activities are implemented:
 - a) detailed, day-by-day calendar of the intake activities for the entire induction period,
 - b) official confirmation of prospective inductees from the organization's national, regional or state office, whichever is applicable to the organization,
 - c) current copy of Chapter's Constitution and By-Laws.
4. All organizations are required to file a schedule of planned activities with the Director of Student Activities by the beginning of the fourth week of each semester.
5. Any approved registered organization may be permitted to sponsor an activity during the year, as long as an event form is submitted and approved by the Director of Student Activities, is in keeping with the mission of the College, and is properly registered in the

office of Student Activities.

6. Each organization that sponsors an activity in any campus facility must pay the appropriate fees and assessments, as applicable.
7. Each organization must submit a general outline of all student programs, activities, events, etc., to the Director of Student Activities at least two weeks before the activity is to occur.
8. Each organization that sponsors an activity must have at least one advisor present or the Dean of Students or designee may cancel the activity. An organization's advisor may designate an individual (on campus faculty or staff person, or outside authorized organization advisor) to be present during the advisor's absence provided the name, address and phone number of that individual has been submitted in writing to the Director of Student Activities within one week (seven days) of the scheduled event.

Student Organizations Certification

Student organizations certification is conducted at the beginning of each semester, and the week following the last day to drop a course. All requirements must be adhered to and/or completed before LeMoyne-Owen College grants a charter to an organization. The Director of Student Activities must grant permission to certify an organization.

Students must maintain full-time status (12 hours or more) to be elected and to serve as officers of any organization. Automatic removal from office will occur immediately after certification reveals that a member or an officer has fallen below full-time status, or the required cumulative grade point average has not been maintained. Elected student officers may be removed from their positions for inappropriate behavior that violates the Student Code of Conduct, gross failure to comply with specific directives given by administration, being placed on disciplinary sanctions, or not fulfilling his or her elected/appointed responsibilities.

All requests for information pertaining to certification of student organizations must be sent to the Director of Student Activities. The Director of Student Activities notifies individuals within the organization(s) of eligibility status. To remain certified, all organizations must provide all receipts and bank statements as requested by the Dean of Students within five days of receiving the request.

The College reserves the right to deny certification of organizations that promote ideas and theories contradictory to the founding principles of the College (virtue, service, consecration, courage, and truth).

Guidelines for Funding of Student Organizations

The Student Government Association's budget is supported from the College's student activities fees. The purpose of the SGA budget is to support programs and activities that will benefit and include the total student body culturally, socially, and/or spiritually. Approved campus organizations may submit proposals to the Student Government Association for funding of activities that will enhance the total development of the organization. Proposals are due October 15th for the fall semester and March 15th for the spring semester.

The Student Government Association's Executive Committee will approve, disapprove, or amend proposals. The Student Government Association's Executive Committee consists of all

SGA officers and two representatives from the general student population.

The following procedures must be followed for consideration of funding from the Student Government Association:

- The organization must have received authorized activation from the Director of Student Activities during the semester in which the request for funds is made.
- The organization must submit a proposal to the Student Government Association for funding.
- Each proposal must include:
 - a) purpose of request
 - b) itemization of proposed expenditures
 - c) signature of organization's advisor and president

The Executive Committee will approve, disapprove, or amend the proposal.

Procedures for Expending Funds Allocated to Student Organizations

The following procedures must be observed in expending funds allocated to a student organization by the Student Government Association. Funds are allocated to student organizations during the fall and spring semesters, to support programs/activities to benefit and include the total student body culturally, socially, and/or spiritually.

- The organization will submit a purchase requisition or a check request with appropriate documentation (**bids, quotes, or receipts**) at least two weeks in advance of the event.
- The Student Government Association's President will authorize the check request or purchase requisition, then forward it to the SGA advisor.

- Counsel with students and lead them toward realizing their potential for optimal growth in keeping with the mission of the College;
- Encourage students to attain and maintain commendable records of leadership and character;
- Recommend all purchases for approval. Unauthorized purchases will not be honored or reimbursed.

Establishing a New Organization

The following are procedures for the establishment and operations of student organizations:

1. Students are free and encouraged to organize and join associations to promote their common interests (e.g., academic, professional, personal, social). Chartered student organizations may have affiliations with organizations – international, national, and/or regional outside of LeMoyne-Owen College, and may be subject to policies and requirements of the parent organizations, provided that this relationship does not conflict with the criteria specified in Part 2 below, or with other requirements that are described herein. Chartered student organizations include colonies/chapters of national fraternal organizations on the LeMoyne-Owen College campus. Student organizations are required to petition the Office of Student Activities for registration, by filing an “Application for Charter.” Thirty (30) days should be allowed to fulfill the requirements for registration, after the organization submits the “Application for Charter”. Chartered student organizations may use College facilities designated by College policy for meetings and other programmed activities, when the facilities are available, and the events are properly planned and scheduled. Upon approval of the Director of Student Activities and the Dean of Students, organizations are granted the status “chartered student organization.”
2. The College reserves the right to deny, suspend, or cancel the registration of student groups whose major focus involves activities which expose their members to risk(s) for which the College might be considered liable. Chartered student organizations are subject to all existing College policies and regulations.
3. Policies and actions of a chartered student organization are determined by a vote of only those persons who are members of the student organization, and are subject to approval by the organization’s advisor. Membership in student organizations is available to all full and part-time matriculating students, unless the Dean of Students approves specific exceptions.
4. Every student organization must choose an on-campus advisor from the faculty or staff members of the College. Advisors are expected to counsel organizations on the exercise of responsibility and adherence to College policy. In a limited number of activities, such as student publications and professional societies, advisors are appointed in accordance with stated College or organization requirements. Such appointments reflect the need for advisors of these organizations to have special knowledge in the field. The Director of Student Activities must approve all organization advisors. If an advisor resigns, a replacement must be found prior to any proposed activities of the organization being approved. Either the Director of Activities, the advisor, or the Dean of Students may institute the termination of the advisor relationship.
5. For selected types of activities, facilities, and equipment, a College designee may assess charges/fees to the chartered student organization. In these instances, organizations will

be notified of such charges/fees prior to the activity. Damage to College's facilities and/or equipment resulting from use or mis-use by the student organization will be charged to the organization.

6. A chartered student organization is not to be granted privileges denied to another organization, or to be subjected to regulations that are not binding on another organization. In rare circumstances, the College may deny, suspend, or revoke the registration of a student organization which: (a) possesses unlawful aims and goals; (b) poses a substantial threat of material disruption (i.e., interruption of classes, damage to the property of others, interference with the rights of others, exposure of students or others to an unreasonable risk of harm, or disruption of the regular and essential operation of the College); or (c) is unwilling to be bound by College, national, state, and local rules and regulations governing conduct.
7. The charter status of a student organization may be suspended or revoked for violating the College's *Code of Conduct*.

Visitation beyond the lounge areas must adhere to the Visitation Policy. (See page 73). Appropriate dress is required in all common areas. No sagging pants can be worn in this area by male or female students or guest. It is inappropriate for undergarments to be visible.

COMPUTER ROOM

For the convenience of our student residents, a Computer Lab is provided in Saxon Dorm. The Computer Lab is expected to remain clean and quiet at all times. The Lab is open on a 24/7 schedule for dorm students only. Students are expected to keep in mind that this is a community facility and check-in with the Lab monitor to reserve study time(s).

ELECTRICAL EQUIPMENT

Radios, stereos, televisions, computers, and tape recorders are permitted. Individual residents are asked to keep the volume high enough for them to hear, but low enough to keep from disturbing others. Residents are asked to use power strips to prevent electrical overloading. Residents may use clocks, electric razors, hair dryers and other small appliances.

EMERGENCIES

Students should report any and all emergencies to the Campus Housing Staff. If necessary, Campus Safety can be notified at 901-301-7340 or 901-435-1464. All calls to 911 must be reported to Campus Safety.

When a smoke alarm sounds in any Residence Hall, all students are expected to evacuate the building and remain outside until the proper officials have inspected the building and clearance has been issued for residents to re-enter the building.

Any act of arson, falsely reporting a fire or other emergencies, falsely setting off a smoke alarm, tampering with or removing fire extinguishers, triggering the sprinkler system, or any other emergency equipment, except in a true emergency, are serious violations of the Housing policy. Such infractions could result in eviction and/or other disciplinary action, including College suspension and/or criminal prosecution. Residents will pay for all repairs of damages caused by such actions.

EMERGENCY HOUSING POLICY

LeMoyne-Owen College may provide emergency housing (room only) for students with documented extreme need, as available space permits. The student will be assessed a nominal fee, determined on a case-by-case basis by the Dean of Students. Emergency housing will be provided for a predetermined limited time only. The student must abide by all of the rules and regulations governing on-campus housing as outlined in the Student Housing Agreement and the *Student Handbook*.

EMERGENCY TEXT MESSAGING SYSTEM - e2Campus

The e2Campus system allows students, staff, and faculty to sign up at no cost to receive text messages regarding school emergencies, school closings, inclement weather and school announcements. Students must register their telephone numbers in order to participate in the program. Students may log on to the campus Home Page www.loc.edu and click on e2Campus to register. Please note that if you have a telephone provider that charges for text messaging, you will incur text messaging charges for messages received from the college. If a student changes their telephone number he/she will need to update their information in the e2Campus System. For additional information/assistance contact the Compliance Department at 901-435-1465.

FIRE AND SAFETY PROCEDURES

LeMoyne-Owen College has designated all buildings, including all residence facilities, as non-smoking areas. Therefore, smoking is not permitted in dormitories. The unauthorized playing of games for money or other items of value is prohibited.

GUEST REGULATIONS

HALL EVACUATION PROCEDURES

- Please remain calm in the event of an emergency;
- Evacuate using the nearest safety exit or stairway;

- Expect scheduled and non-scheduled safety drills;
- Students are encouraged to follow the safety instructions of Campus Safety officers.

HOUSING FEES

All Housing fees must be paid at registration, unless prior arrangements have been made with the Fiscal Office. Room fees are not refundable if a student moves off campus without officially withdrawing from the College.

Payment of Housing fees is due at the start of each semester and is collected and assessed at registration, unless prior arrangements have been made for a payment plan, which requires administrative approval prior to registration.

Room Reservation Fees

A room reservation fee of \$100.00 is required of all students that apply for Campus Housing and must be accompanied by the Housing application and a copy of the students FAFSA Confirmation Page. Room reservation fees may be paid by cash, credit card, cashier's check or money order. This fee is due prior to moving into the Residence Halls and will hold the room for the first two weeks of the current semester.

Damage Deposits

A damage deposit fee of \$100.00 is required of every student who resides in Campus Housing. This one-time fee is a deposit against damage and/or breakage. Fees will be assessed upon the determination of damage done by the student(s). It is refundable upon permanent departure from Housing, provided that no damage has been done and there is no outstanding balance.

Key Card Fee

All students must pay a \$15.00 key card deposit (**not refundable**). The fee for lost, broken, or

stolen key card(s) is \$50.00 per replacement. All residents receive a key card at check-in. Each resident is responsible for his/her key card.

Refund of Room and Board

If a contract agreement cancellation request is requested in writing and approved during the academic year (the onset of the semester) by the Director of Campus Housing, refund for room and board, less the contract cancellation fee, will be prorated depending upon the amount of time the student occupied the room. No refund of room and board will be granted after validation. The contract agreement for Housing does not include the break during the Christmas holidays or the breaks before or after summer school. Students **must** make other arrangements during these periods. Also, if maintenance is required in the residence halls that cannot otherwise be performed while the hall is occupied, such maintenance will be done during these break periods.

IDENTIFICATION FOR OFF-CAMPUS GUESTS

All guests to the campus dormitories must sign-in with and present identification at the Reception Desk in Saxon II. The identification will remain with Campus Safety until the guest's departure from campus. This includes visitors in motor vehicles, as well as, walk-in guests (students and non-students). The above action is designed to add an additional layer of protection for residential students.

ILLEGAL DRUGS/ALCOHOLIC BEVERAGES

It should be clearly understood that LeMoyne-Owen College is not a sanctuary for drug possession, drug use, drug sales, or drug distribution. Therefore;

- Possession, use, distribution, and sale of illegal drugs and alcohol are prohibited at LeMoyne-Owen College.
- Any student apprehended for the use or possession of illegal drugs, on- or off-campus, will be suspended.
- Any student found guilty of the sale, distribution, and/or possession of unlawful drugs, on- or off-campus, will automatically and immediately be separated from the College.
- All persons who knowingly act in concert to violate and or conceal violations of College regulations have individual and joint responsibility for such violations, and such concerted acts are prohibited. Sanctions will apply.

College Safety will strictly enforce College policies concerning the use of alcohol and possession of illegal drugs and paraphernalia on campus. Periodically, the local police will assist the College with dogs trained to detect the odor of drugs and drug/alcohol paraphernalia.

INSULTS TO RESIDENCE HALLS STAFF

Insults to Residence Hall staff will not be tolerated. Incidents of disrespectful behavior will be documented and reported to the Judiciary Council. Violators will be disciplined accordingly – to include, if necessary, permanent dismissal from Campus Housing.

INSURANCE

The College is not responsible for losses in the residential facilities due to theft, fire, water, heat or other causes. The College is not responsible for personal property that is lost, stolen, or damaged in or on residential facilities or properties.

LeMoyne-Owen College's property coverage is not designed to cover the personal effects of students. It is important to note that the purchase of property insurance is a student's responsibility and not that of the College. Each student is advised that:

- The institution's property insurance will not pay to replace personal belongings in the event of fire, theft, etc.;
- Parents should be consulted regarding the availability of coverage under the parent's homeowner or tenant's policy;
- If the parents do not have insurance coverage, but coverage is desired, the student should purchase coverage at the student's own expense.

PETS ON CAMPUS

To protect the interest and safety of students and employees, it is the policy of the College not to allow pets in any buildings including, but not limited to, administrative buildings, classroom buildings, residence halls, or dining facilities. "Pets" are considered animals, domestic or wild, in the company of a student, faculty member, guest, or visitor to the College, and does not apply to service dogs. Violators, and/or visitors will be charged a non-compliance fee. Students are prohibited from feeding stray animals.

PHYSICAL COMBAT

Fighting is prohibited at LeMoyne-Owen College.

LeMoyne-Owen College has a "zero tolerance" policy regarding initiating a fight on campus. Students found guilty of initiating a fight or assaulting another individual will be immediately separated from the College except in cases proven to be self-defense as determined by the administrative hearing committee (Judiciary Council). For LeMoyne-Owen College, self-defense is defined as: the act of protecting one's life or physical well-being through preventive or deterrent action in response to a physical assault or other imminent danger in the absence of College or civil authority, or other options such as negotiation or escape. Self-defense also occurs when the clear intention of the person(s) under attack is to assure their safety and to avoid any or additional harm. Circumstances when self-defense applies may include forced entry, rape, the use of weapons, and/or physical assault.

PORNOGRAPHY

Posting pornographic material is prohibited. Participating in pornographic activities is strictly prohibited on LeMoyne-Owen College campus and is subject to judiciary sanctions.

PUBLIC SAFETY TIPSTER POLICY

Although LeMoyne-Owen College encourages residential life students to report their concerns to the Director of On-Campus Living and Learning and/or the Resident Manager, there are times when a student may feel it is necessary to report a concern of wrong-doing, i.e., possible violation of the Student Code of Conduct, outside of the traditional reporting mechanism. The College has adopted a Public Safety Tipster Policy for these instances. The Public Safety Tipster Policy allows allegations to be made outside of the immediate area that the suspected student is associated with and allows for a degree of confidentiality for the reporting person if requested. Tips may be reported to the Dean of Students at 901.435.1734 or Campus Safety Office at 901.435.1465.

Protection from Retaliation

A student who in good faith reports a suspected violation of the Student Code of Conduct shall not suffer harassment, retaliation or any adverse consequences from other students or the College. A student, who retaliates against another student that has reported a suspected violation in good faith, is subject to discipline up to and including dismissal from the College. Any student who believes that he or she has been retaliated against after making a good faith report may also report this alleged retaliation to the Dean of Students.

Confidentiality under the Public Safety Tipster Policy

Confidentiality of the reporter will be maintained to the extent practicable within the limitation of the law, College policy and the legitimate needs of the investigation. In addition, students submitting a report should be aware that their public testimony might be needed to prove the case against the suspected student. Although a student's report may possess merit, comments made to others regarding another student could constitute defamation, invasion of privacy or other grounds for civil liability. Students should not discuss allegations outside of the reporting and investigation process. This is especially the case should the investigation prove that the suspected student's action were lawful or within College policy. Note that if a student self discloses his or her identity directly or indirectly through his or her own action outside of the official investigation process, the College is not obligated to maintain confidentiality.

ROOM INSPECTION POLICY

The College reserves the right to conduct inspections, if reasonable cause exists to indicate that (1) an activity is determined to be detrimental to the health, safety or welfare of residents, and is taking place in a room; (2) if substances which constitute a violation of the housing codes are believed to be in the room; and (3) to enforce College policy or maintain order. Under these circumstances a search (announced or unannounced) may take place even if the residing student is not available.

ROOM SECURITY

Personal safety and well-being begins with each student. The primary concern of the housing staff is the personal safety and wellness of each resident. Please remember to lock the door when leaving or retiring for the night and, above all, please keep track of key cards. The College does not assume responsibility for personal property, lost, stolen, or damaged. Do not lend key cards.

Access to Residence Halls

Residents are permitted to have guests during established visiting hours. Residents are responsible for informing their guests of all College rules and regulations and are held responsible for the actions of their guests.

Security During Holiday and Semester Breaks

LeMoyne-Owen College closes during the Christmas Break. During fall and spring breaks only, students may continue to reside in the halls. Residents that live in Shelby County may stay in Residence Halls provided they meet requirements set by the Director of On-Campus Living and Learning.

Housing Staff

A Campus Housing staff member is available in the residence area each day to assist students. During the evening, Safety Officers make periodic rounds of each area, monitoring activities and securing exterior doors. Security Officers address safety and security concerns.

Firearms

The possession or carrying of firearms, any type of explosives (including firecrackers), chemicals, or other weapons are not permitted on campus. This includes hunting bows, razors, box cutters, arrows, and knives.

Student Responsibilities

Cooperation, involvement, and personal support of students are critical to campus safety. Students must assume responsibility for their own personal safety and security of their personal belongings by using common sense precautions. Student awareness of their environment and surroundings is the best place to start.

- Doors should NEVER be propped open. **Violators will be severely fined;**
- Room doors should always remain locked, even when leaving for a short time.
- Residents should know visitors and ask for identification before allowing access to rooms or campus buildings;
- Keep possession of key cards at all times and never lend them;
- Vehicles should be parked in a lighted area and left locked. Do not leave valuables in a vehicle unless locked in the trunk;
- Report any suspicious individuals or activities immediately to Campus Safety at 901-301-7340, or On-Campus Living and Learning at 901-435-1755.

SEXUAL MISCONDUCT

Sexual Misconduct is comprised of a broad range of behaviors designated by distinct prohibited behaviors including sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, sexual exploitation, and public displays of sexual activities. Sexual misconduct includes sexual assault and battery. Any sexual contact without consent is considered assault. An individual's diminished mental and/or physical state shall constitute evidence of that individual's ability or inability to give consent.

Sexual assault and battery includes, but is not limited to, forced sexual intercourse or any intentional unwelcomed or unwanted sexual conduct by the accused, whether an acquaintance or stranger, either directly or through the clothing, of victim's genitals, breasts, thighs, buttocks or mouth, without the victim's consent. Sexual assault and battery also includes touching or fondling of the accused by the victim if the victim is forced to do so against their will.

Any sexual misconduct is prohibited by the College and is punishable by either contingent suspension or permanent expulsion. As a matter of policy, the College encourages the accuser in these cases to also pursue appropriate remedies of the judicial system.

SMOKING IN RESIDENCE HALL

The College has designated all buildings, including all Campus Housing, smoke-free. Therefore, smoking is not permitted in auditoriums, classrooms, lecture rooms, dining hall, residence halls, gymnasium, or any other buildings at LeMoyne-Owen College. Smoking in the residence hall is

a serious violation of the Code of Conduct and puts the entire residential population at risk. Participation in this act is subject to College disciplinary action including fines of \$50.00 and higher, and probation and/or suspension from Campus Housing. All persons who knowingly act in concert to violate and or conceal knowledge of smoking in the resident hall have joint responsibility for such violations, and such concerted acts are prohibited. Sanctions will apply.

SOLICITATION AND SELLING

Unauthorized solicitors for the sale of products, food items, services, etc., are not allowed in Campus Housing. Personal grooming acts (barbering, hair dressing, manicuring, massaging, tattooing, *etc.*) for profit on campus (including dormitories) are strictly prohibited. (See section on Solicitation/Vendors)

TAMPERING WITH FIRE SAFETY EQUIPMENT

Tampering with any fire safety equipment, whether a pull station, smoke or heat detector, sprinkler head, horn/strobe unit, or fire extinguisher, is prohibited on campus and is a crime punishable by the College as well as the state. Therefore, any person violating the provisions of this section commits a Class C misdemeanor. Each day of which a violation continues is a separate offense under this section. Every life is too valuable to have someone tamper with fire safety equipment in the residence facilities; don't put yourself or others in jeopardy.

VANDALISM

Those who damage College property or property belonging to others will pay restitution for those damages and will be disciplined and/or prosecuted. Please report all acts of vandalism immediately! This includes furniture, appliances, carpet, blinds, walls, etc.

VIOLATION OF THE COLLEGE'S CODE OF CONDUCT

Violation of the College's Code of Conduct may result in immediate suspension from Campus Housing.

VISITATION POLICY (OFF CAMPUS GUESTS)

A guest of Campus Housing is defined as any person who does not currently reside in College housing. The right of a student to live in reasonable privacy takes precedence over the right of the student's roommate to entertain guests within their housing unit. A roommate's right to free access to the room at all times must not be disrupted by guest visitation.

Guest Visitation for On-Campus Housing

Sunday – Thursday: 12 Noon to 11:00 p.m.

Friday – Saturday: 12 Noon to Midnight

Guest Visitation Procedure

- Guests must sign in at the front desk and leave a valid form of photo identification (College ID, driver's license or state issued identification card) to be retrieved upon departure. The host and guest must check in at the front desk together. The host must also present a valid LOC ID.
- The guest will receive a guest ID which must be worn at all times during the visit and returned upon departure. Failure to return the guest pass will result in a \$50 fine applied

to the resident host's student account, and possible loss of privileges until the fine is paid. The host and guest must return to the desk together to check out.

- The resident host must accompany their guests at all times and are accountable for their guests' actions as outlined in the *Student Code of Conduct*. Guests and hosts alike are responsible for knowing and abiding by all regulations and either or both may be subject to disciplinary action for violations. Unruly guest behavior may result in the guest's immediate removal and/or ban from Campus Housing.
- Please note, gaining entry to visit one resident does not grant visitors the right to visit another resident or to roam the Resident Halls.

Visitation Hours (In-Room Visitation)

Students living in the residence halls may choose to entertain guests of the opposite gender in the individual dorm rooms. These privileges of in-room visitation will not interfere with the rights of other students' privacy, study, security, or otherwise enjoyment of their residence hall living experience. This policy applies to LeMoyne-Owen students with a classification of sophomore, junior, or senior and their visitors.

The College reserves the right to amend or suspend the in-room visitation policy as it deems necessary.

Visitation is suspended during the mid-term and final examination periods.

Student host shall be held responsible for the conduct of their guests and for any violations of the In-Room Visitation policies involving their guests.

All students participating in in-room visitation must have their guest officially check-in at the residence hall Reception Desk prior to a visit and check out of the residence hall at the conclusion of the visit. Guests will not be allowed to check in 30 minutes prior to the end of the co-ed visitation period.

Each student participating in ***In-Room Visitation*** is allowed to host **one co-ed guest** at a time.

The following check-in and checkout steps must be followed:

- All guests must check-in at the front desk of the residence hall (at the Saxon 2 Reception Desk) by presenting valid photo identification (current student identification or driver's license).
- LeMoyne-Owen students may present a valid student identification card to satisfy this requirement.
- All guests must receive a guest pass from the front desk (Officer/attendant). The pass must remain in the guest's possession for the entire length of the visit.
- The student host/hostess must meet his/her guest at the front desk and escort his/her guest throughout the visit.
- All guests must check-out at the front desk (accompanied by the resident) and return the guest pass.
- Students receiving guests must keep the dorm room door open during the entire time of the co-ed visitation period (while guests are present).
- ***In-Room Visitation*** guests may only utilize restroom facilities designated for the public.

Acts constituting violation of the *In-Room Visitation* policy shall include, but are not limited to:

- Allowing a guest in a residence hall room at any time prior to or after official co-ed visitation hours.
- Allowing a guest who presented false identification into a residence hall room.
- Allowing more than one guest to enter a residence hall room during the official co-ed visitation period.
- Signing in a guest for another student resident.
- Failing to check-out a guest.
- Allowing a guest to use unauthorized restrooms.
- Assisting a person to gain improper entry into a residence hall, residence hall room.
- Students participating in ***In-Room Visitation*** understand that there is no overnight visitation and that students who keep visitors in their bedroom overnight are in violation of the regulation, and the spirit of *in-room visitation*.

*All students assigned to the residence hall must observe the College's **In-Room Visitation** procedures and are prohibited from visiting the rooms or living areas of students of the opposite gender during non-visitation hours.*

Roommate Agreements Regarding In-Room Visitation

All roommates and suitemates must agree on whether or not a co-ed guest will be allowed in an assigned room during In-Room Visitation hours. Student residents have the following rights in connection with In-Room Visitation:

- Each roommate has the right of quiet enjoyment of the assigned residence hall room.
- A roommate's right to quiet enjoyment of assigned residence hall room takes precedence over the right of another roommate to entertain a co-ed guest.
- A roommate has the right to withhold consent of allowing a co-ed guest in the room during co-ed visitation hours when such a visit would interfere with his or her study or sleep.
- Any student resident believing that his or her rights have been violated has the option of filing a complaint with the Director of On-Campus Living and Learning.

Violation of these rules and regulations are subject to review by the Judicial Council. Any student found guilty of violating the College's rules and regulations by a Judicial Council decision, forfeits the privilege to participate in In-Room Visitation.

SAFETY POLICIES

Sexual Assault Policy

A profound concern for moral and spiritual values is emphasized here at the College. This concern is underscored in the Sexual Assault Policy, which serves to protect the rights of each member of the College community from unacceptable and unconscionable sexual assault. All students are responsible for their own actions and are expected to maintain high moral and ethical standards, as well as, to comply with the provisions of local, State and Federal laws.

Sexual assault is a violation of the College Code of Conduct involving physical contact of a sexual nature which is against one's will or without one's consent. Regrettably, sexual assault happens and perpetrators may be relatives, friends, dates, acquaintances or strangers. Violated victims may experience feelings of confusion, disbelief, shock, guilt, shame, self-blame, resentment, anger and fear. These are natural reactions that need to be addressed in the best possible way.

This policy, which complies with the Higher Education Re-Authorization Amendment Act, ensures consistent procedures and coordination of College and community resources with regard to victims of sexual assault. It is the intention of the College to increase awareness, encourage prevention, and to provide assistance for survivors of sexual assault and their families.

Educational programming to promote awareness and prevention of rape, acquaintance rape and other sex offenses shall be offered periodically to all students, faculty and staff by Campus Safety, Office of On-campus living and learning and the College Counseling Center, as well as other appropriate campus departments. Dates and frequency of programs will be at the discretion of the Director of Counseling Services and the Compliance Officer. These comprehensive programs describe response protocols, available medical treatments and referral sources.

Sexual Assault Education

If you are sexually assaulted, GET TO A SAFE PLACE. Once there, the survivor has several options to consider, including:

- **Contact Campus Safety and/or Memphis Police** - Sexual Assault is a crime and survivors have the opportunity to press charges both on- and off-campus. If the assault happened on campus, the survivor

can contact Campus Safety at 901-301-7340. If the assault occurred off campus, contact Memphis Police at 911.

- **Call the College Counseling Center** - Counselors offer support and can make appropriate referrals based on the needs of a survivor. Referrals are confidential, free, and available 24 hours a day. Call 901-435-1738 to be put in touch with a counselor.
- **Contact someone who they can trust** - A friend who can stay with and support them.
- **Seek Medical Attention** - All survivors of sexual assault are encouraged to seek medical attention as soon as possible after the assault to ensure their physical well being. Even if there is no external physical injury, survivors can and should be tested for sexually transmitted diseases, pregnancy and internal trauma.

Preservation of physical evidence is important to the successful prosecution of offenders. In order to preserve such evidence, survivors should not shower, douche, change clothes or change bedding before seeking medical attention. Also, if oral contact was made, survivors are asked not to brush their teeth, smoke or eat. Evidence can be collected at area hospitals.

Possible College Sanctions for Sexual Assault

The sanctions for rape, date/acquaintance rape, or other sexual offenses (forcible or non-forcible) that may result following an on-campus disciplinary procedure are those applied to all disciplinary cases. These sanctions are contained in the *Student Handbook*. Sanctions include, without being limited to: College expulsion; College suspension; On-campus living and learning expulsion; discretionary sanctions; fines; loss of privileges; probation; and warning(s).

The procedures for on-campus disciplinary action in cases of alleged sexual assault are those employed in all disciplinary cases and are contained in the Judicial Procedures Code of Conduct.

These procedures include:

1. All accused student(s) will be notified in writing of all pending charges against the accused.
2. The accused student shall have the option of an administrative hearing with the Director of Judicial Affairs, or a formal College judicial board.
3. Procedures normally shall be conducted in private. At the request of the accused student, a representative of the student may be admitted but shall not have privileges of participation in the hearing. Admission of any person to the hearing shall be at the discretion of the judicial body.
4. The complainant and/or the accused have the right to be assisted by an advisor of their choice and at their own expense. However, the complainant and/or the accused is responsible for presenting their own cases and, therefore, advisors are not permitted to speak during or participate in any hearing before a judicial body.

Emotional Support for Victims

Counseling is available for victims of sexual assault at the College Counseling Center, as well as in the community at the Center for Victims of Violent Crime and the Memphis Sexual Assault Center. The College Counseling Center offers crisis intervention and ongoing counseling. The community agencies offer a 24-hour hotline, crisis intervention, support counseling, and additionally provide group therapy.

Prior Abuse

Victims of sexual abuse that has occurred within their family are eligible for College Counseling services. Referrals may also be made to community mental health centers and/or to private practitioners, depending upon the specific needs of the victim.

Reporting an Incident to Legal Authorities

The purposes for reporting an incident are:

1. To protect oneself and others from future victimization;
2. To apprehend the assailant(s);
3. To, in some way, seek justice for the wrong committed upon the victim.

Victims have the option to report the incident immediately to the Campus Safety at 901.301.7340 or (x1464) from a campus telephone. Reporting an incident is different from choosing to prosecute. Filing a report does not obligate the victim to continue with legal proceedings or College disciplinary action. The victim can choose whether or not to participate in proceedings at any point in the process.

Residence Hall Adjustments

If necessary, and/or at the request of the victim, the living arrangements of the individual(s) involved can be changed, especially if the individual(s) involved are currently assigned to the same Residence Hall. If the victim wishes to be relocated, then the victim will be given that option. If the victim wishes to remain in their current assignment, then the alleged perpetrator will be reassigned to a different housing location or temporarily suspended. The Resident Staff on duty must be contacted to ensure that this procedure is followed.

If necessary, and/or at the request of the victim, changes may be made in the academic environment to ensure the safety and wellbeing of the individual(s) involved. The professional staff member involved will be responsible for initiating these changes.

The Jeanne Clery Act

This act is the landmark federal law originally known as the Campus Security Act, which requires all colleges and universities across the United States to disclose information about crime on and around their campuses. It is enforced by the U.S. Department of Education and applies to most institutions of higher education, both public and private. The "Clery Act" is named in memory of 19-year old Lehigh University freshman Jeanne Ann Clery, who was raped and murdered while asleep in her residence hall room on April 5, 1986.

CAMPUS CRIME STATISTICS

In accordance with the Tennessee College and University Security and Information Act of 1989, each institution of higher education within the state is required to report to the Tennessee Bureau of Investigation (TBI) each month, consistent with the F.B.I.'s Uniform Crime Report (UCR), all statistics concerning crimes occurring on campus and in student housing. Reports are also submitted annually to the U.S. Department of Education.

Crimes That Must be Reported

Murder
Sex Offenses
Robbery
Simple Assault
Burglary
Vehicle Theft
Larceny-Theft
Vandalism

Arrests

Liquor Law Violations
Drug Violations
Weapons Possession
Judicial Hearings on any of the Above

RESIDENT HALL PREPAREDNESS DURING A NATURAL DISASTER

In order to insure the health and safety of residents, the College has established the following procedures in resident halls:

1. Know in advance where to take cover in your bedroom, shower, common area and on campus. (i.e., basements of Brownlee, Steele, Gym, Library)
2. Be aware of where windows and mirrors, heavy wall hangings, or bookcases are located.

During Earthquakes

DUCK and COVER. The best place to take cover is under a desk, or in the doorway of your room. Stay away from outside walls. Avoid running out of your room where you are much more likely to be hurt by flying debris.

After the Shaking

If you or someone else in your room needs assistance, hang a help sign in your window. Exit the building using the nearest available and unblocked staircase.

- Once out of the room Saxon II residents should go to the parking lot and stand at least 30 yards from the building.
- Note any gas smells and report them immediately to College officials.
- Campus Residential Life Staff members along with Campus Safety will conduct a head count to determine who might be missing. Maintenance and Campus Safety will conduct a search of buildings.

Do not reenter any buildings unless authorized to do so by a College official.

During Severe Weather

Stay clear of windows and doors that lead to the outside. Go to the lowest level of the building you are in and do not attempt to go outside. Sit with knees up, head down and hands covering the head. Stay inside until given instructions to evacuate. If someone needs assistance, hang a help sign in your window. Housing Staff members and Campus Safety will conduct head counts to determine if anyone is missing. Maintain contact with the Campus Safety for revised weather updates. Residential students should always go to the Student Center Little Theater during severe weather. Moving to one central location will allow campus officials to account for all students that live in residential housing.

Citywide Early Warnings

The city of Memphis has a siren system which, when activated, will alert the general public to tune radios to Emergency Broadcast System stations for receipt of emergency instructions. The initial sounding of the siren system will not necessarily require evacuation of the campus, but may include certain protective actions with instructions to listen to the radio or television for further instructions.

For more information regarding Emergency Management and Response, please refer to the following resources:

- LOC-ERCP-A-100 LeMoyné-Owen College Emergency Response and Contingency Plan

Campus Lock Down

Lockdown means that there is a possible threat or possible imminent danger to the campus. Security will go into an Emergency Response Mode and will begin to secure all campus buildings and gates. Faculty, staff and students, at that time, are requested to stay inside whatever building, classroom, etc. they are presently in until a clearance from Security or law enforcement officials is given. Lockdown situations will always be given through the e2Campus Text Messaging Alert System, Campus E-Mail, and through Campus Safety personnel.

CAMPUS NOTIFICATION AND WARNING SYSTEM

Responsibilities

The Compliance Officer (Emergency Operations Center Director) has the primary responsibility for promptly notifying the campus community when warranted by an emergency situation. Notification of the community will involve both warning that an emergency condition exists, and the issuance of appropriate instructions.

Campus Safety is the primary point on campus for receipt of warnings from local and/or state officials. Warnings may be received via public radio, telephone or other designated agencies.

Warning and Notification Systems

Telephone Activation System

In the event of an emergency, the Compliance Officer will notify various areas of the campus (i.e., Residence Hall, etc.) identified on the Campus Emergency Notification List. Persons contacted will be given general instructions and advised to assist in implementing appropriate emergency actions for their particular areas of responsibility or general locations. The Compliance Officer may request further telephone calls of those contacted.

Loud Speakers or Voice Commands

Notification of the campus community can also be made through the use of mobile vehicles and hand-held public address units. Emergency personnel will also make on-site voice commands.

Campus Bell and Fire Alarm Systems

Notification of the campus community can be made by ringing the bell, and/or activating the Fire Alarms in campus buildings. (In an effort to minimize confusion on campus, it is strongly suggested that the campus bell be used only as an Emergency Notification System until other systems are put in place.)

Emergency Text Messaging System - e2Campus

This system allows students, staff, and faculty to sign up at no cost to receive text messages regarding School Emergencies, School Closings, Inclement Weather and/or School Announcements. Students must register their telephone number(s) in order to participate in the program. Students may log on to the campus Home Page and Click on e2Campus to register their telephone number(s). Please note that if you have a telephone provider that charges for text messaging, you will incur text messaging charges for messages received from the College. If a student changes their telephone number he/she will need to update their information in the e2Campus System.
